

*Maddie Hopkins and Hailey Ernst nominated by Neah-Kah-Nie Preschool as Volunteers of the Month for January*

High School Freshmen, Maddie Hopkins and Hailey Ernst volunteer at the preschool every Monday morning. While their classmates enjoy the opportunity to sleep in on late start Mondays, Maddie and Hailey arrive at the preschool at 7:45 ready, to help with prep work until my students arrive at 8:15.

At that time, they assist with supervision of students and deliver small group instruction before catching the bus to begin their own school day. Their help makes it possible for me to structure the morning in a way that allows my students who need speech support to receive services in a quiet environment without having to be pulled out of the classroom.

Thank you Maddie and Hailey for all of your help!
