FY 16 for FY 17 621,295
FY 17 for FY 18 627,093
FY 18 for FY 19 661,358
Fy 19 for FY 20 754,779
Fy 20 for FY 21 722,641

For FY 21 for FY 22 we are being audited so have received no money yet...we should have received it by January. The impact aid grant I put in at the end of January is for FY 23 but I receive by January of next year.. I know confusing...
