Additional Information:

BKM Total Office of Texas:
Labor, delivery and installation for all quantities (12,098) - \$54,600
Damages: product damaged in transit or during installation is replaced if damages render the product unusable, at no charge and temporary product will be provided if needed

Business Interiors:
Damages: installers will note damages at time of installation and damage claims are processed within 24 hours
Installers will load and remove all debris at time of installation
Fireking pricing is valid thru December 31, 2006

DeShazo Enterprises:
Music chairs are black on black instead of black on chrome
Music chair carts are black on black instead of black on chrome
Damages: once Keller ISD has notified DeShazo of damages they will proceed with obtaining replacement
Dunnage removal: all packing crates and materials are removed by DeShazo at time of installation

Indeco Sales:
Spot purchase orders for HON products will be priced per TXMAS or add 15% to bid price for small orders, whichever is most advantageous
Artco Bell items "all or none" due to freight and installation pricing
HON items (excluding alternate teacher desk) are "all or none"
Damages: products are removed at installation and replaced as soon as possible
Dunnage removal: removed same day as installation

Nine to Five:
Prices are valid until April 14, 2008
Products purchased must fall with project size/tier pricing per order to qualify for discounted pricing
Fireking pricing is for one shipment and is valid until May 28, 2006
Damages: once item is marked on packing list as damaged a new item is ordered
Dunnage removal: all debris is removed from site

Royer & Schutts:
Damages: are taken care of by the manufacturer or freight company upon delivery by corrective action and each damaged item will be replaved by manufacturer at no charge
Dunnage removal: waste and/or damaged products will be covered under the corrective action taken by the manufacturer and the installation company will be responsible for removal of all trash, packing material and damaged products
Global products have been proposed in place of HON products
All Global orders made under \$2000.00 will incur a \$40.00 freight charge and any order placed \$2000.00+ freight charges are included
Any spot purchases that are ordered that does not meet the minimum delivery price of \$2000.00 a \$95.00 minimum trip charge will apply
All installation prices are consistent throughout the contract regardless of quantity ordered and each line item has been broken down to a "er item" price based on contract

School Health:
Damages are handled by calling the customer care department
Prices are firm thru August 31, 2006 at which time prices and availability may be subject to change
Refer to Bid # 1183798 when pkacing orders

Texas Furniture:
Damages: factory makes the final decision as to whether a product is replaced or repaired with parts and there are no additional charges
Dunnage removal: remove all debris from installation site

Texas Furniture (alternate):

Must include the HON stack chairs with all HON products

Wenger Corporation:

Damages: Keller ISD to call customer service and Wenger will replace all damages once reported

Dunnage removal: all debris is removed at time of installation

Virco Sales:

Prices are firm until December 31, 2006 with shipment by December 31, 2006

Add 7% for orders in 2007 that are shipping by December 31, 2007

Prices are baed on an order of \$30,000.00+ to one location on one purchase order

If order is \$15,000.00 - \$29,999.99 add 13% to each unit price per purchase order per location

If order is \$7,500.00 - \$14,999.99 add 20% to each unit price per purchase order per location

If order is \$2,500.00 - \$7,499.99 add 27% to each unit price per purchase order per location

Inside delivery and installation are not available for orders under \$2,500.00 per purchase order per location

Call sales representative for tailgate pricing on orders under \$2,500.00

Damages: freight damages are handled thru the carrier involved and hidden damages should be reported to the sales representative as soon as possible

Dunnage removal: removal of debris is handled by local Virco supervisor in accordance with local laws and procedures
