

Board Report – OHS

Ozona High School has 189 students enrolled. Class sizes are as follows: 51 - 9th, 48 - 10th, 41 - 11th, 49 - 12th.

We have participated in the McCamey and Sonora UIL meets. We continue to do well and improve in all areas. Computer Science is also competing and placing no worse than 2nd in any meet. They recently lost to Lubbock High in the Sonora meet. They will be in Austin competing on February 12. One Act Play will be competing in Llano and Sonora in March.

Spring is about to get busy with all spring sports and Stock shows. This is also TAKS testing time. We are really on top of students taking care of their classes and TAKS tutorials.
