

## **FUND BALANCE RESTORATION STRATEGIES**

## POLICY ISSUE/SITUATION

The Superintendent's recommendation for General Fund balance restoration for 2012-13 is presented for School Board review. The strategies will be used if the fund balance declines further than current projections.

#### BACKGROUND INFORMATION:

### RECOMMENDATION:

It is recommended the Beaverton School District Board of Directors review the possible fund balance restoration strategies for 2012-13.

# Possible Fund Balance Restoration Strategies For 2012-13

- Additional unemployment savings identified from 4<sup>th</sup> quarter 2012 statement reflecting lower than expected claims \$300,000
- Reduce transfer to Insurance Reserve fund \$1,000,00
- Purchase order freeze
- Hiring freeze
