

EMPLOYEE ALCOHOL & DRUG TESTING

Employees of the Wonewoc Center School District are subject to district policy and State/Federal regulations.

All prospective employees are subject to pre-employment testing as a condition of employment and results of drug testing will be used to determine a candidate's eligibility for district employment.

Employees who have responsibilities as bus drivers must submit to regulations governing bus drivers and licensure rules including mandatory random testing.

All employees are further subject to board policy including but not limited to directives noted in policy 522.1 governing an employee alleged to be under the influence of any illicit chemical or alcohol.
