

**Consider Approval of 2024-2025 Property and Casualty Insurance
August 19, 2024**

1. Background: The District renews its property and casualty insurance coverage annually. The District is currently contracting with La Vernia Insurance Agency to provide these services through the Property and Casualty Alliance of Texas (PCAT), underwriter.

2. Process: La Vernia Insurance provides the proposal for Property and Casualty Insurance coverage (attached).

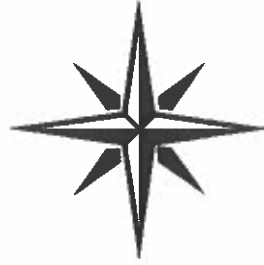

3. Fiscal Impact: The cost for the 2024-2025 school year is \$866,663 without the buy down coverage. We are currently waiting on the cost of the buy down coverage. Last year the premium was \$668,628 without the buy down insurance. The buy down insurance is a deductible buy-down plan and the cost for 2023-2024 was \$61,696. Supporting documentation is attached.

If the cost of the buy down insurance is received prior to the board meeting, I will update the agenda.

4. Recommendation: Board approve the Property and Casualty Insurance as presented.

5. Action Required:
Approval of the 2024-2025 property and casualty insurance with La Vernia Insurance Agency in the amount of \$866,663.

Why PCAT

Mission

PCAT was created to provide Member districts with a strategy to achieve the lowest long-term cost for property and casualty coverage via multi-year membership, rate and coverage stability, proactive loss prevention, and cash dividends.

Strength

PCAT provides multi-year risk management solutions for over 160 Texas school districts. With over \$96 Million in annual Member contributions, PCAT is the largest school risk program in the country devoted exclusively to property and casualty exposures.

Governance

PCAT is a Member owned-and-governed program. Member districts elect a five-member board of their peers to provide program governance ensuring the program is consistently aligned with the best interests of Member districts.

Non-Profit

PCAT's non-profit status ensures that any program funds not necessary for program operations are dispersed to Members via cash dividends. Since 2009, PCAT has returned over \$11,000,000 in cash dividends to Texas classrooms.

Interlocal

Formed under the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, the PCAT Interlocal Agreement enables Members to benefit from cost-saving multi-year agreements while meeting Texas Education Code section 44.031 Purchasing Contracts requirements.
