13. Tech High School (9-12)
14. Westwood Elementary (PK-5)

Elementary students in District 742 are assigned to a school attendance area based upon their geographical residence. Requests for open enrollment within the District will be approved according to established guidelines. Please contact the Welcome Center additional information.

Considerations

- **St. Augusta Area & County Road 8 area south of Minnesota Blvd.**
 - Move areas to Clearview
 - Starting 2025-26 school year, move will be optional for existing 742 families
 - New to district students would attend Clearview
 - Kindergarten students with siblings would utilize the same waiver process as Clearview Immersion students
 - This boundary adjustment will not affect middle school or high school

St. Augusta Area Proposed Boundaries

South of I-94
East of 43rd Ave and CR 136
