2015

TO: Dr. Dave Palzet  
FROM: Matt Vandercar  
RE: Instructional aide recommendation

I am recommending Evan Stone for the full-time instructional aide position at Pleasantdale Elementary School. He will be filling the position open due to a resignation. Evan will work primarily in kindergarten and 2<sup>nd</sup> grade.

Evan is a Pleasantdale graduate and recently earned his teaching degree at Illinois College in Jacksonville, IL. He earned a K-12 Physical Education degree with a minor in Health Education. Evan currently does an outstanding job in our Extra Innings program.

I am excited about having Evan here and confident he will continue to be an effective member of the Pleasantdale staff.
