## **Baseball**

Varsity and JV are currently 1-0 in SRV play. Their non conference schedule has been challenging, which is a good thing. Hopefully the challenging schedule prepares our program for conference play and hopefully to the state tournament. The varsity team has returned most of their key players from last year's team. I am expecting them to have a good season.

## **Softball**

Varsity is 1-0 in SRV play. We have also scheduled a very difficult schedule for our very talented softball team. We hosted a portion of their spring break tournament. We played all 5A schools in that tournament. They competed well. They continue their SRV play this week.

## **Golf**

Boys and girls are coming into the busy part of the season. The boys' team has been right in the mix in every tournament thus far. They are improving every tournament.

Girls are also improving every week. They have a lot of beginner golfers. They are all good athletes, so hopefully by the end of the season they are able to compete at the district tournament.

## **Track**

Track has gotten off to a great start. We have a lot of kids out for track. Almost enough to where we have to take two yellow buses to any event. It is nice to be able to practice on our own track this season. They are very grateful with all of the upgrades to our facility.

## **Tennis**

Coach Jones is working hard at getting her team ready for districts in May. We currently have 17 kids out for tennis, which is great. Coach Jones is doing a great job promoting the tennis program and getting kids involved.
