Possession of tobacco	
Public display of affection	
Off campus violation	
Transportation violation	
Possession of alcohol/drugs	
Bullying	

Staff Development (June 1, 2013 to June 27, 2013)

Principal's General Narrative:

The Jr. High Summer School program has come to an end and the students have done well. Mrs. Chica Hernandez and Mrs. Lynn McNew did a great job with the summer school classes for the Jr. High students. There were thirty students from grades 6 – 8 that attended and worked to meet the requirements that allow them to pass to the next grade level.

There are six 8th grade students whose outcomes concerning the coming school year are dependent upon how they did with the STAAR Exams they had to retake at the end of summer school. Results are scheduled to be reported to school personnel on July 12. The required meetings with parents will be held for any student(s) not passing the necessary STAAR Exam(s) and a determination will be made concerning the coming school year.

We had some Jr. High School students attending a TRIO trip on Thursday, June 27. The TRIO program works with students to help them establish goals for their future education. The 2012 – 2013 school year was the first year that our Jr. High School students became involved with the TRIO Program.

The cafeteria personnel have been serving students breakfast and lunch for the summer food program. The program is available for students Mondays through Fridays and does not cost the children. I believe adults are charged adults \$ 4 per meal.

Summer maintenance on the Jr. High has been in progress with both custodial and maintenance personnel doing a great job in getting to everything that needs to be done.

I believe a Meet and Greet session is being set for administrators and other school personnel to have the opportunity to visit with Laughlin AFB parents and prospective students later this month.

I would like to thank each of you for the diligence you exert in making better things possible for our students and teachers. You are a large part of the reason our students have great opportunities to be successful and to further their opportunities through education.

Respectfully Submitted,

George T. "Stoney" Burks
Brackett Jr. High School Principal
