Re: Discussion of Cooper Soccer Field
Draft Cooperative Agreement

We would like to discuss a potential agreement for the use of the soccer fields at the old Cooper site. We have been working with Total Soccer Wixom, LLC to develop a Cooperative Agreement. We have attached a draft copy for review, but please note there are a few details to work through with Total Soccer so this may not be the final document. Of course if there are any changes in the final document we will provide that information to the Board of Education.

We would like to discuss the agreement at the next Finance Committee meeting on Tuesday, May 26, 2015. Please include this item on the agenda and let me know if there are any questions or concerns.
