

RESOLUTION NO.

A RESOLUTION OF THE BOARD OF DIRECTORS OF PARKROSE SCHOOL DISTRICT NO. 3, MULTNOMAH COUNTY, OREGON, AUTHORIZING PARTICIPATION IN THE OREGON EDUCATION DISTRICTS PENSION BOND PROGRAM; AUTHORIZING A FULL FAITH AND CREDIT PENSION BOND AND RELATED FULL FAITH AND CREDIT PENSION OBLIGATIONS, TO BE ISSUED IN ONE OR MORE SERIES.

WHEREAS, the Board of Directors of Parkrose School District No. 3, Multnomah County, Oregon, is authorized by Oregon Revised Statutes (“ORS”) 238.692 to 238.698, including any amendments thereto (the “Act”), to issue revenue bonds under ORS Chapter 287A to finance its pension liability;

WHEREAS, the Act and ORS 287A.315 permit the District to pledge its full faith and credit and taxing power within the limitations of Sections 11 and 11b of Article XI of the Oregon Constitution to pay those bonds;

WHEREAS, school districts and education service districts have a pooled unfunded pension liability to the Oregon Public Employees Retirement System (“OPERS”) and, based on the District’s portion of the total school district and educational service district payroll, the District’s allocated portion of the unfunded pension liability (the “Pension Liability”) is currently estimated to be \$49,658,732 as of December 31, 2016;

WHEREAS, OPERS currently requires the District to pay this unfunded liability over a period of years with interest at seven and two-tenths percent per annum;

WHEREAS, current interest rates in the bond market are below seven and two-tenths percent, creating the opportunity for the District to finance all or a portion of its unfunded pension liability and potentially reduce its costs;

WHEREAS, the Oregon Education Districts Full Faith and Credit Pension Bond Program (the “Program”) is a structure whereby Oregon public school districts and education service districts electing to participate in the Program (the “Participating Districts”) may simultaneously issue their full faith and credit pension bonds and, collectively, provide for the issuance, sale and delivery of Full Faith and Credit Pension Obligations, Series 2018 (the “Program Obligations”) representing proportionate interests of the registered owners of the Program Obligations in the aggregate amount of full faith and credit pension bonds of the Participating Districts; and

WHEREAS, the Program provides that each Participating District will be responsible solely for its obligations under its pension bond and/or bonds, and not for the obligations of any other Participating district under any other pension bond and/or bonds, except to the extent assumed as a surviving district; now therefore,

Section 2. Bond Authorized.

(1) The District hereby authorizes the issuance, sale and delivery of its Bond, in accordance with this Resolution and in an amount which does not exceed the amount necessary to produce net proceeds equal to the District’s Pension Liability as reported by the OPERS’s actuary as of the expected date of the lump sum payment, plus the costs of issuing and selling the Bond and the District’s allocated share of the costs of issuing and selling the Program Obligations.

(2) Bond proceeds shall be used to pay all or a portion of the District’s unfunded pension liability to OPERS and to pay costs of issuing and selling the Bond and the District’s allocated share of the costs of issuing and selling the Program Obligations. The District may direct that a portion of the Bond proceeds be directly paid to OPERS after closing and a portion be retained by the Program Trustee for payment to OPERS over time as directed by the School District Official. The issuance of the Bond and participation in the Program shall not obligate the District to pay any portion of another school district’s liability.

(3) The Bond shall be a “federally taxable bond” which bears interest that is not excludable from gross income under Section 103(a) of the Internal Revenue Code of 1986, as amended. Interest will, however, be exempt from Oregon personal income taxation.

(4) OPERS currently requires the District to pay this unfunded liability over an approximate period of twenty (20) years. OPERS charges the District 7.20 percent per annum because OPERS expects, over the long term, to earn 7.20 percent on its investments. Refinancing that liability at a lower rate of interest should, therefore, reduce costs for the District. To ensure that the rate of interest on the Bond will be less than the rate of interest which OPERS expects to earn, the Bond shall not be sold at a true interest cost of more than 5.50% per annum.

(5) The School District Official shall compare the cash flows required to pay the Bond to the cash flows currently estimated to pay OPERS for the unfunded pension liability, and determine a Bond structure which the School District Official estimates will be advantageous to the District.

(6) The School District Official is authorized to execute a letter to be sent to OPERS requesting the necessary payoff figures and to pay any fees required in connection therewith or, if such letter has been executed prior hereto, the Board hereby ratifies such action.

Section 3. Delegation.

The School District Official may, on behalf of the District, and without further action by the Board:

- (1) Participate in the preparation of, authorize the distribution of, and deem final any official statement or other disclosure documents relating to the Bond or the Program Obligations.
- (2) Establish the final principal amount, Bond Payment schedule, interest rates, sale price and discount, prepayment terms, payment terms and dates, and other terms of the Bond.
- (3) Negotiate the terms of, and enter into a bond purchase agreement which provides for the acquisition of the Bond by the Program Trustee and, if required, execute a letter of intent prior to the sale.
- (4) Execute and deliver the Program Trust Agreement, which authorizes the Program Trustee to issue the Program Obligations, and any other agreements or documents which may be required for participation in the pension bond program.
- (5) Execute and deliver the Bond to the Program Trustee, provided the Bond shall also be executed with the facsimile signature of the Chair of the Board of Directors of the District.
- (6) Undertake to provide continuing disclosure for the Bond and the Program Obligations in accordance with Rule 15c2-12 of the United States Securities and Exchange Commission.
- (7) Apply for ratings on the Bond or the Program Obligations and purchase municipal bond insurance or obtain other forms of credit enhancements for the Bond or the Program Obligations, enter into agreements with the providers of credit enhancement, and execute and deliver related documents.
- (8) Execute and deliver the Intercept Agreement and any related documents, including a certificate demonstrating that the State Education Revenues distributed to the District in each of the three most recently completed fiscal years are not less than two (2.0) times the average annual debt service on the Bond and any other outstanding pension bonds issued under the Intercept Agreement.
- (9) Execute and deliver any agreements or certificates and take any other action in connection with the Bond, the Program Obligations, the Intercept Agreement and OPERS administrative rules which the School District Official finds is desirable to permit the sale and issuance of the Bond and the Program Obligations in accordance with this Resolution.

Section 4. Security for Bond.

- (1) The District shall pay the amounts due under the Bond from any and all of its legally available taxes, revenues and other funds as authorized by the Act. The District hereby pledges its full faith and credit and taxing power within the limitations of Sections 11 and 11b of Article XI of the Oregon Constitution to pay the amounts due under the Bond pursuant to ORS 287A.315.
- (2) To provide additional security for the Bond, the District agrees to enter into the Intercept Agreement.
- (3) In the event funds under the Intercept Agreement are insufficient or unavailable or the Intercept Agreement is not in full force and effect for any reason, the District shall make Security Payments to the Program Trustee in accordance with the terms of the Program Trust Agreement.

(4) This Resolution shall constitute a contract with the Program Trustee, and the owners of the Program Obligations shall be third-party beneficiaries of that contract.

Section 5. Prepayment.

The principal component of Bond Payments shall be subject to prepayment on the dates and at the prices established by the School District Official pursuant to Section 3(2) and in accordance with the Program Trust Agreement.

Section 6. Covenants.

The District hereby covenants and agrees with the Program Trustee for the benefit of the owners of the Program Obligations as follows:

(1) The District shall monitor the availability of State Education Revenues to make Intercept Payments and, to the extent Intercept Payments are insufficient, covenants to make Security Payments when due.

(2) The District shall promptly cause Security Payments and the principal, premium, if any, and interest on the Bond to be paid as they become due in accordance with the provisions of this Resolution and the Bond.

(3) The District covenants for the benefit of the Program Trustee to pay the Additional Charges reasonably allocated to it by the Program Trustee, in accordance with the invoices for such Additional Charges which are provided by the Program Trustee.

(4) To the extent permitted by law, the District covenants and agrees to indemnify and save the Program Trustee harmless against any loss, expense or liability which is reasonably allocable to the District and which the Program Trustee may incur arising out of or in the exercise or performance of its duties and powers under the Program Trust Agreement relating to the Bond, including the costs and expenses of defending against any claim or liability, or enforcing any of the rights or remedies granted to it under the terms of the Program Trust Agreement in connection with the Bond, excluding any losses or expenses which are due to the Trustee's breach of fiduciary duties, negligence or willful misconduct. The obligations of the District under this Section 6(4) shall survive the resignation or removal of the Program Trustee under the Program Trust Agreement and the payment of the Program Obligations and discharge under the Program Trust Agreement. The damages claimed against the District shall not exceed the damages which may be allowed under the Oregon Tort Claims Act, Oregon Revised Statutes Section 30.260, et seq., unless the provisions and limitations of such act are preempted by federal law, including, but not limited to the federal securities laws.

(5) The District covenants not to merge, consolidate or dissolve unless the District's Bond has been defeased or the obligation for payment of the Bond has been assumed by the successor entity.

Section 7. Amendment of Resolution.

The District may amend this Resolution only with the consent of the Program Trustee.

Section 8. State Intercept Agreement.

The School District Official is hereby authorized to negotiate and enter into the Intercept Agreement with the State whereby appropriations from the State that would otherwise be paid to the

District are diverted to the Program Trustee for the purpose of payment of debt service on the Bond. Any such agreement with the State does not relieve the District of its liability to make payments on the Bond.

Section 9. Default and Remedies.

(1) The occurrence of one or more of the following shall constitute an Event of Default under this Resolution:

(A) Failure by the District to pay Bond principal, interest or premium when due (whether at maturity, or upon prepayment after principal components of Bond Payments have been properly called for prepayment);

(B) Except as provided in Section 9(1)(A) above, failure by the District to observe and perform any other covenant, condition or agreement which this Resolution requires the District to observe or perform for the benefit of Program Trustee, which failure continues for a period of 60 days after written notice to the District by the Program Trustee specifying such failure and requesting that it be remedied; provided however, that if the failure stated in the notice cannot be corrected within such 60 day period, it shall not constitute an Event of Default so long as corrective action is instituted by the District within the 60 day period and diligently pursued, and the default is corrected as promptly as practicable after the written notice referred to in this Section 9(1)(B); or,

(C) The District is adjudged insolvent by a court of competent jurisdiction, admits in writing its inability to pay its debts generally as they become due, files a petition in bankruptcy, or consents to the appointment of a receiver for the installment payments.

(2) The District's failure to make Bond Payments or Security Payments constitutes an Event of Default as set forth above independently of whether or not the State complies with the provisions of the Intercept Agreement.

(3) The Program Trustee may waive any Event of Default and its consequences, except an Event of Default described in Section 9(1)(A).

(4) If an Event of Default occurs and is continuing the Program Trustee may exercise any remedy available at law or in equity; however, the Bond Payments shall not be subject to acceleration, and the District shall be responsible solely for its Bond Payments and any Additional Charges reasonably allocated to it.

(5) No remedy in this Resolution conferred upon or reserved to the Program Trustee is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Resolution or now or hereafter existing at law or in equity, including allowing the State to withhold future payments. No delay or omission to exercise any right or power accruing upon any default shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. To entitle the Program Trustee to exercise any remedy reserved to it, it shall not be necessary to give any notice other than such notice as may be required by this Resolution or by law.

Section 10. Defeasance.

(1) The District may defease all or any portion of the Bond Payments in accordance with this Section 10. The District shall be obligated to pay any Bond Payments that are defeased in accordance

with this Section 10 solely from the money and Government Obligations which are deposited in escrow pursuant to this Section 10, unless the amounts available in escrow are insufficient to make the Bond Payments. Bond Payments shall be deemed defeased if the District:

(A) irrevocably deposits money or noncallable Government Obligations in escrow:

(i) with an independent trustee or escrow agent which mature and pay interest in amounts which are calculated to be sufficient, without reinvestment, to make all the Security Payments associated with the Bond Payments which are to be defeased on their maturity dates, and to make any prepayments of Bond Payments described in Section 5 on the dates those prepayments are required to be made if any principal components of defeased Bond Payments are to be prepaid; or

(ii) with the Program Trustee, which mature and pay interest in amounts which are calculated to be sufficient, without reinvestment, to make when due all the Bond Payments which are to be defeased on their maturity or prepayment dates; and,

(B) provides irrevocable notice of any prepayments which are to occur in connection with the defeasance to the Program Trustee at least 50 days prior to the prepayment; and,

(C) files with the escrow agent or trustee an opinion from a Qualified Consultant to the effect that the money and the principal and interest to be received from the Government Obligations are calculated to be sufficient, without further reinvestment, to pay the Security Payments and prepayments of Bond Payments described in Section 10(1)(A).

(2) The District shall notify the Program Trustee promptly of any defeasance of Bond Payments.

Section 11. Rules of Construction.

In determining the meaning of provisions of this Resolution, the following rules shall apply unless the context clearly requires application of a different meaning:

(1) References to section numbers shall be construed as references to sections of this Resolution.

(2) References to one gender shall include all genders.

(3) References to the singular shall include the plural, and references to the plural shall include the singular.

Section 12. Effective Date.

This resolution shall take effect on the date of its passage by the District.
