To whomever this may concern,

My time in this career has been wonderful. I appreciate all the time and learning I have gained in this career. I am upset to say that this time is going to be coming to an end, unfortunately. I have had to make a hard decision to put my goals ahead of me and pursue the medical field. Thank you for all of the amazing time I have been given working here.

That being said this is my two-week notice effective as of 8/29/2024.

Sincerely,

Morgan Battaglia

Hello Tammie and Sara,

I would like to inform you that after a talk with Porter and Simpson today, that I'm unfortunately going to be leaving my position at Marsing High school. I will stay on until the end of this pay period. My last day will be 9/15/2024. There was a conversation with the new students parent at lunch and it went well from my perspective, but about 15 minutes later I was down in the office asking a question about getting new badges for myself and Abbe. That is when Porter and Simpson informed me that Audrey didn't want to come to class today because of me. I was then told that they made a deal with her that she would need to go to class but i wasn't going to be allowed to talk to her either class periods, I was a little confused but agreed with this, but when I voiced that this 3 new students had caused so much stress for me that I had almost left Tuesday, Porter then proceeded tell me that it is what is it and it wouldn't have been a big deal and they would have been able to make it work with out me. Upon hearing this I realized that I'm not a respected employee here at Marsing High School. This is the second time Porter has said something to me that wasn't professional and out of line. I'm sorry to leave you guys short staffed and Abbe by herself.

Thank you
Megan Brown
