We forgot to approve the 3/2/2021 agenda, however, we worked off the above agenda standing agenda.

**Round Robin:**

General discussion across all CLC members of the importance of marketing/communication consistency across the school district. We discussed “talking points” and tabled to new business. General discussion about the school calendar focused on consistency, reasonableness, and avoiding favoring any one religion over the other. Looking forward to the process and outcomes from the district. Additionally, we discussed leveraging EP Schools org chart to re-direct emails/questions when appropriate (i.e. Baker Rd question). This can help reinforce the policy governance model.

**Working Plan:**

Worked to establish ownership and action items. See updated workplan.

**New business:**

“Talking points” was rolled into the workplan.

**Committee Report summary:**

Chair will report out the working plan, requesting input from the Board on updated action plans. Goal to execute “pilot programs” quickly, then roll out improved 2021-22 schedule (Large/small scale formats).
