BUDGETARY INFORMATION: To be included in the 2017-2018 General Operating Fund Budget

BOARD POLICY REFERENCE AND COMPLIANCE: Chapter 37 Texas Education Code

**INTERLOCAL AGREEMENT AND MEMORANDUM OF
UNDERSTANDING BETWEEN THE
WEBB COUNTY JUVENILE BOARD
AND UNITED INDEPENDENT SCHOOL DISTRICT
2017-2018 School Year**

I.

State law requires juvenile boards and independent school districts in counties with populations of 125,000 or more to jointly provide alternative education options for public school students. Texas Education Code §37.008 requires United Independent School District ("UISD") to establish a district-level Disciplinary Alternative Education Program ("DAEP"). The Webb County Juvenile Board ("Juvenile Board") must create a Juvenile Justice Alternative Education Program ("JJAEP") in accordance with §37.011 of the Texas Education Code. Unless otherwise stated, all references to section and chapter numbers in this Agreement are to the Texas Education Code. The JJAEP is not allowed by law to require a student or the parent or guardian of a student to pay any fee, including an entrance fee or supply fee, for participation in the program.

II.

Purpose

This Memorandum of Understanding is between UISD and the Juvenile Board and is intended to do the following:

1. Outline the responsibilities of the Juvenile Board concerning the establishment and operation of the JJAEP;
2. Define the amount and conditions of payments from UISD to the Juvenile Board for students of UISD served in the JJAEP whose placement was not made on the basis of an expulsion under §37.007(a), (d), or (e);
3. Identify those categories of conduct that UISD has defined in its Student Code of Conduct as constituting serious misbehavior for which a student may be placed in the JJAEP;
4. Identify and require a timely placement and specify a term of placement for expelled students for whom UISD has received a notice under §52.041(d) of the Texas Family Code;
5. Establish services for the transition of expelled students to UISD prior to the completion of the student's placement in the JJAEP;
6. Identify a plan that provides transportation services for students placed in the JJAEP;
7. Establish the circumstances and conditions under which a juvenile may be allowed to remain in the JJAEP once the juvenile is no longer under Juvenile Court jurisdiction;
8. Establish a plan to address Special Education services required by law.
9. Address the reimbursement of the JJAEP by UISD for students who are placed in accordance with §37.0081.

III. Student Eligibility

A. MANDATORY PLACEMENT OFFENSES

Students who are admitted into the public schools of a school district under Section 25.001(b) of the Texas Education Code and who have been expelled from school for an offense enumerated under §37.007(a), (d), or (e) of the Texas Education Code (*See Exhibit "A"*) must, according to State Law, be placed in the Webb County JJAEP pursuant to §37.011(b). The Webb County Juvenile Board should be aware that pursuant to §37.001(a) of the Education Code, commission of a §37.007(a), (d), or (e) offense may not lead to a student's expulsion if mitigating factors exist, as outlined under §37.001(a), which may preclude UISD from expelling the student. Should a juvenile court proceed to court order the placement of a juvenile, who has committed a §37.007(a), (d), or (e) offense but has not been expelled by UISD, at the JJAEP then UISD will not be financially responsible for the court ordered placement ("expulsion") of the student.

According to State Law, students who are expelled for offenses under this section of this Memorandum of Understanding ("Section III. A Offenses") must be referred to the Juvenile Probation Department for those offenses. If the police report or complaint does not describe conduct which would rise to the level of a Section III. A Offense, the Webb County Juvenile Board may require UISD to provide additional information to support the assignment to Section III. A.

B. DISCRETIONARY PLACEMENT OFFENSES

Students who are expelled from UISD while placed in a District-level DAEP are eligible for enrollment in the JJAEP if they continue to engage in serious misbehavior that violates UISD's Student Code of Conduct or other offenses under §37.007(b), (c), (d), (f), or (i)(see Exhibit "B.") Also, under §37.0081, a UISD student may be expelled and placed into the JJAEP for (a) receiving deferred prosecution under Family Code §53.03, for conduct defined as a Title 5 felony offense or the felony offense of aggravated robbery under Title 7, Section 29.03, Penal Code; (b) being found by a court or jury to have engaged in delinquent conduct under Family Code §54.03 for conduct defined as a Title 5 felony offense or the felony offense of aggravated robbery under Title 7, Section 29.03, Penal Code; (c) being charged with engaging in conduct defined as a Title 5 felony offense or the felony offense of aggravated robbery under Title 7, Section 29.03, Penal Code; (d) being referred to a juvenile court for allegedly engaging in delinquent conduct under Family Code §54.03 for conduct defined as Title 5 felony offense or the felony offense of aggravated robbery under Title 7, Section 29.03, Penal Code; (e) receiving probation or deferred adjudication for a Title 5 felony offense; or for being convicted of a felony offense or the felony offense of aggravated robbery under Title 7, Section 29.03, Penal Code; or (g) being arrested or charged with a Title 5 Felony offense or the felony offense of aggravated robbery under Title 7, Section 29.03, Penal Code.

C. PRE-ADJUDICATION PLACEMENT

Every expelled student who is not detained or who is not receiving treatment under Court Order must attend the JJAEP pending adjudication and disposition of the offense for which he/she was expelled. Upon proper notification by UISD pursuant to §52.041 of the Texas Family Code, the Juvenile Board's designee shall facilitate the placement of the expelled student in the JJAEP.

D. PLACEMENT OF DETAINEES FOLLOWING RELEASE

Students who are expelled and who have been detained at the Juvenile Detention Center shall attend the JJAEP immediately following their release from the Detention Center. The expelled student's Probation Officer shall notify the Juvenile Board's designee of the expelled student's release from the Detention Center in order to facilitate placement in the JJAEP.

E. PLACEMENT OF STUDENTS ON EMERGENCY EXPULSION

Any student who is placed on emergency expulsion pursuant to §37.019 shall be afforded due process rights under §37.009 and shall be placed in the JJAEP.

F. SERIOUS MISBEHAVIOR/ AEP PLACEMENTS

Subject to Section III.B, above, students who have been removed from the classroom pursuant to §37.006 of the Texas Education Code, who have been placed in the UISD's DAEP, and who have been placed on deferred prosecution, may attend the JJAEP, at the sole discretion of the UISD.

G. STUDENTS WHO ARE REGISTERED SEX OFFENDERS

This MOU does not provide for the placement of a UISD student who must register as a sex offender. Only those UISD students who are required to register as a sex offender who are ordered by a court to attend the JJAEP will be placed into the JJAEP.

H. ALL OTHER PLACEMENTS

The parties to this Agreement acknowledge that there may be certain students or populations of students not previously identified in this Agreement who might benefit from placement in the JJAEP. During the term of this Agreement, when such placement is allowed by law and when the parties to this Agreement mutually agree in writing, other students or populations of students who do not otherwise meet the aforementioned eligibility requirements may be placed in the JJAEP.

Students between the ages of 10 and 18 years old who are charged for a felony crime or a Title 5, Penal Code offense or the felony offense of aggravated robbery under Title 7, Section 29.03, Penal Code committed off-campus or at a non-school related activity may be referred by the School District Committee to the JJAEP pending court disposition.

Students who have not committed an expellable offense but whose personal behavior consistently disrupts the teaching process and can best be served at the JJAEP, may be placed at the discretion of UISD.

Students considered as adults under the Texas Penal Code, and Texas Code of Criminal Procedures and/or charged for a crime as an adult, and presently pending adjudication and disposition before any Court in Webb County for a prior offense committed while a juvenile, may be placed in the JJAEP if the District Hearing Officer and the Juvenile Court Judge concur.

Where it is advisable or contemplated that a student may withdraw from a School District, the student may be allowed to attend the Webb County JJAEP. A School District Committee comprised of the Hearing Officer, and the Campus Administrator, will, within a five-day school period, ascertain the most appropriate placement for the student.

I. PREGNANCY RELATED PLACEMENTS

Students placed at JJAEP who require Pregnancy Related Services (Compensatory Home Instruction) will be given credit for the number of days instructed at home. Upon medical clearance from a doctor, student will be withdrawn from home campus and enrolled at JJAEP to complete their assigned days.

IV. Readmission to UISD

A student is required to enroll at the JJAEP and satisfactorily complete the terms of expulsion before he/she can return to a UISD school unless one of the following conditions occurs:

1. The student is acquitted of the offense by a court of law; or
2. The student is determined by the Juvenile Court system to have committed a lesser offense which does not constitute a "Section III.A" or "Section III.B" Offense; or
3. The Webb County Attorney's Office has determined that a petition will not be filed with the Juvenile Court alleging that the student is delinquent or in need of supervision, or has determined that no criminal prosecution will take place based on the facts that formed the basis for the expulsion; or
4. The petition alleging delinquency has been withdrawn (juvenile has been placed on deferred adjudication) then UISD shall consider readmitting the student. If the student is not readmitted, the student shall either remain in the JJAEP until the end of the expulsion period, or he/she may be removed to the UISD's DAEP, as UISD deems appropriate.
5. Only after consultation and mutual agreement between the parties, the JJAEP staff may assign back to the School District any discretionary-expelled student that has been determined not to function properly in a JJAEP environment.

6. Upon withdrawal from JJAEP, a student must fulfill admission/residency requirements and obtain approval from United ISD Admissions Department prior to re-enrollment at JJAEP to complete pending expulsion term.

V. Length of Placement

A. MINIMUM LENGTH OF STAY FOR LEVEL I and LEVEL II PLACEMENTS

MANDATORY STUDENTS - The Board and UISD agree that mandatory expelled students who are placed in the JJAEP should remain in the setting for minimum of ninety (90) school days in order to derive the maximum benefit from the programs and disciplinary techniques offered at the JJAEP. For those students charged with a drug possession offense of Penalty Group three (3) or four (4), students shall be assigned to the JJAEP for not less than a forty-five (45) day period for High School students and thirty (30) days for Middle School students. These minimum lengths of stay do not apply to a finding pursuant to a Level I or Level II hearing conducted by the Superintendent or the Superintendent's designee, or a school board Level III hearing.

DISCRETIONARY STUDENTS - The Board and UISD agree that discretionary expelled high school students who are placed in the JJAEP should remain in the setting for a minimum of forty-five (45) days in order to derive the maximum benefit from the program and disciplinary techniques offered at the JJAEP. The Board and UISD further agree that discretionary expelled middle school students who are placed in the JJAEP should remain in the setting for a minimum of thirty (30) days in order to derive the maximum benefit from the program and disciplinary techniques offered at the JJAEP. These minimum lengths of stay do not apply to a finding pursuant to a Level I or Level II hearing conducted by the Superintendent or the Superintendent's designee, or a school board Level III hearing.

UISD and the JJAEP administrator will consider the impact that the issue of timeliness will have on returning a student to his or her campus. Grades, completion of courses, and awarding of credits will be a major focus.

In the event of overcrowding or at the sole discretion of the JJAEP Principal, the JJAEP reserves the right to return Discretionary Placement Offenders (as set forth in "Section III.B") to his or her home District prior to the term of expulsion or placement.

B. MAXIMUM LENGTH OF STAY

Both parties agree that the maximum period of time that a student should be placed in the JJAEP is one (1) calendar year unless the student is placed under Texas Education Code § 37.0081.

VI. Special Education

A. MANIFESTATION DETERMINATION REQUIREMENT

A student who commits an offense under §37.006 or §37.007 and who is classified as a student with a disability under IDEA or Section 504 may be expelled from UISD only after a duly constituted Admission, Review, and Dismissal (ARD) or Section 504 committee determines that the alleged offense is not a manifestation of the student's disability, in accordance with §37.004 of the Texas Education Code, the Individuals with Disabilities Education Act (IDEA), §504 of the Rehabilitation Act, and other applicable State and Federal laws. If the committee determines that a student's conduct is not a manifestation of his or her disability, the student may be expelled and placed in the JJAEP for any length of time otherwise consistent with this MOU.

B. INTERIM ALTERNATIVE EDUCATIONAL SETTING (SPECIAL CIRCUMSTANCES)

In accordance with Section 615(d)(1)(G)(i)(iii) of the Individuals With Disabilities Education Act 2004, school personnel may remove a student to an interim alternative educational setting without regard to whether the behavior is a manifestation of the child's disability, in cases where a child while under the jurisdiction of the State or local educational agency (1) carries or possesses a weapon to or at school, on school premises, or to or at a school function; (2) knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or (3) has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function. The length of stay in an interim alternative educational setting will be determined by school personnel without regard to whether the behavior is determined to be a manifestation of the child's disability, but for not more than 45 school days in accordance with all applicable statutes. The JJAEP can be designated as the interim alternative educational setting.

In accordance with Section 504 of the Rehabilitation Act and other applicable State and Federal laws, school personnel may remove a student to an interim alternative educational setting without regard to whether the behavior is a manifestation of the child's disability, in cases where a child while under the jurisdiction of the State or local educational agency (1) carries or possesses a weapon to or at school, on school premises, or to or at a school function; (2) knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or (3) has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function. The length of stay in an interim alternative educational setting will be determined by school personnel without regard to whether the behavior is determined to be a manifestation of the child's disability, but for not more than 45 school days in accordance with all applicable statutes. The JJAEP can be designated as the interim alternative educational setting.

C. OTHER ASPECTS OF PLACEMENT

For students with disabilities who are adjudicated and placed in the JJAEP by a Juvenile Court, UISD's ARD or Section 504 Committee (as appropriate) may review the student's Individual Education Plan (IEP) or Individual Accommodation Plan (IAP) and determine the appropriate educational services to be provided for the student while in the JJAEP. If a student with a

disability is being considered for placement at the JJAEP as a result of an ARD or Section 504 meeting, the JJAEP administrator or designee shall be given reasonable notice of the ARD or Section 504 meeting by UISD so that a JJAEP representative may participate in the deliberations of the committee.

D. EDUCATIONAL SERVICES

Students with disabilities who are placed in the JJAEP shall be afforded those educational services determined by a duly constituted ARD Committee which are required to allow the students to receive a free and appropriate public education as defined by Federal and State law. Both parties understand that the Webb County area is currently experiencing a shortage of certified special education teachers to serve the public schools students. However, the Juvenile Board agrees to use its best efforts to hire a sufficient number of certified special education teachers to meet the needs of special education students assigned to the JJAEP. UISD agrees to provide assistance to the JJAEP in locating qualified individuals who are either fully certified in special education or who meet the requirements for an Alternative or Emergency certificate. The Board agrees to provide academic special education for JJAEP students from UISD. UISD further agrees to be financially and logistically responsible for all other educational support services, related and non-educational services for special education students assigned to the JJAEP as indicated in the ARD and agreed to by the ARD committee.

E. REFERRAL FOR TESTING/SECTION 504

Any student assigned to the JJAEP who, after a review of all relevant records by representatives of the JJAEP, is suspected to be in need of services under the IDEA or §504 shall be referred to UISD for the determination of eligibility in accordance with applicable Federal and State statutes and regulations. Any student who is assessed for eligibility and who is determined to qualify for services under the IDEA or §504 shall be afforded all required educational services and protections by the school district to the extent that the JJAEP is not able to provide the service and the district is notified of the need to provide the service.

VII. Transfer Students

If a student who has been expelled from another school district transfers to and enrolls in UISD, UISD may opt to either continue the student's expulsion under the terms of the expulsion order, or may place the student in UISD's DAEP for the period specified by the expulsion order, or may allow the student to return to regular classes without completing the period of expulsion.
