Re: 2019-20 School Milk/Dairy Purchase

I would like to request adding an agenda item to the Monday, July 24, 2019 Committee of the Whole meeting to discuss the 2019-20 dairy purchase from Cedar Crest Dairy Inc., Hudsonville, Michigan in the amount of \$148,800.00

Attached is the recommendation from Pat Schuchardt, Supervisor of Food and Nutrition Services, and the bid from Cedar Crest Dairy Inc. Their bid pricing is from HPS Group Purchasing Organization, which satisfies the Board's bid requirement.

Please let me know if there are any questions. Thank you.
