

School Board Meeting:

July 22, 2019

Subject:

Policy 713 Student Activity
Accounting

Presenter:

**Gary Kawlewski, Director
Finance and Operations**

SUGGESTED SCHOOL BOARD ACTION:

Presented to the Board as a first reading of the policy

DESCRIPTION:

The Minnesota School Boards Association has had this policy for a period of time and has recently revised the policy in response to changes made with the 2019 legislative session. We have not adopted this policy previously. We will look to approve the policy at the 8/26/2019 board meeting as a final reading. This policy is being proposed in conjunction with the resolution bringing student activity accounts under board control.
