- Cost of 45 MacBook Air Laptops, cases, 3-year Apple Care, and accessory kits: \$52,330.50
- Estimated shipping & handling: \$2,669.50

Total: \$55,000.00

Option 1: The Board may choose to approve the above action item as listed.

Option 2: The Board may choose to *not* approve the above action item as listed.

Recommendation: The Superintendent recommends the Board to approve the above action item as listed.

Issue Summary:

Many of our teacher's laptops are failing or too old for new software updates. In addition, many high school student computers need to be replaced. We intend on recycling the good teacher laptops to the student computer inventory. By doing this, we will have enough student computers for the 2025-26 school year. We intend on using the 501 Capital Improvement Fund to purchase these computers so that the operating budget is not impacted.
