

## **Request for Approval of Annual Investment Report**

Attached is the Annual Investment Report (AIR) of the Ector Independent School District, for the year ending June 30, 2019. This report consolidates the investment requirements mandated by the Public Funds Investment Act, Texas Government Code (Chapter 2256). Included are the reports on investment balances and investment income, along with required investment policy review, approval of training sessions from independent sources, and selection of broker/dealers and investment officers for the 2019-2020 fiscal year.
