- Parent/Student/Teacher School Compact for 25-26
- Parent Involvement Plan for 25-26

April 21, 2025

We held our Multicultural Literacy Night on April 17th. Every child who attended received a free book with tips to parents for reading with their child. They also had a chance to win one of 19 Multicultural books that were raffled off throughout the evening. Families were treated to a taco bar and also got to learn about Native American culture. One of our Life Skills Assistants Shared the history of the Jingle Dress and performed a dance for us. She also led the community in a Round Dance. Every grade level offered an activity based on a piece of multicultural literature. Families also had a chance to take home some readers from our curriculum that is being replaced. It was a really fun evening!

This is a busy time of year for Title! We began our final round of groups on April 7th. These groups will run for just 6 weeks so we can administer End of Year Testing during the week of May 19th - May 22nd. We can do make-ups the following week and then wrap up the year!

Boys and Girls Club:

Jenna Larkin reported that Club is getting ready for summer. Attendance currently on the average is 45 due to sports. They are hoping for 50 this summer. Evergreen is waiting on funding confirmation for summer school; Boys and Girls Club is a community partner with summer school.

Due to community partner services, the Boys and Girls Club received a grant, which purchased a new 15 passenger van for educational purposes, but also for emergency response.

Teacher Requests/Comments: Admiration for the kindergarten team, and Tammi Snyder with Title was noted for their creation of a flipped model in addressing their interventions for students. Interventions are occurring now with the teachers keeping the lowest students during Tier 3 intervention time.

Next meeting: May 19th, 2025

Adjourned 3:26pm
