

# **Manor Independent School District**

## **Decker Elementary**

### **2025-2026 Campus Improvement Plan**

**Accountability Rating: F**

# Mission Statement

District's Mission:

COLLECTIVELY, AS A COMMUNITY, MANOR ISD PROVIDES EQUITABLE RESOURCES, A SAFE LEARNING ENVIRONMENT, AND HIGH-QUALITY EDUCATIONAL SERVICES FOR ALL SCHOLARS TO SUCCESSFULLY ACHIEVE AND REACH THEIR FULL POTENTIAL.

**Campus Mission:**

At Decker Elementary, our mission is to empower every student to achieve academic excellence, embrace diversity, and become lifelong learners. Through a collaborative foundation with families and the community, we inspire all students to reach their full potential today and for the future.

## Vision

District Vision:

MANOR ISD IS THE BEST DISTRICT IN TEXAS WHERE WE PROVIDE AN EQUITABLE EDUCATION FOR ALL SCHOLARS AND GRADUATE THEM READY TO BECOME LEADERS IN OUR COMMUNITY.

**Campus Vision:**

Decker Elementary's vision is to provide tools for all learners to become resilient, innovative, and compassionate individuals equipped with the knowledge, skills, and character to thrive in the global community.

## Value Statement

*We are accountable for every student's success.*

*All hands on deck!*

# Comprehensive Needs Assessment

## Demographics

### Demographics Summary

DES is a Fine Arts Academy, Title I Campus that includes One Way and Two Way Dual Language Programs.

24/25 data includes:

- approximately 330 students enrolled at the end of the year
- 92% Economically disadvantaged
- African American-52 students
- Hispanic-252 students
- White-7 students
- Amer.Ind-2 students
- Asian-14 students
- Nat. Hawaiian-1 student
- Multi-race-4 students
- 253 Emergent Bilingual students
- 6 students classified as 504
- 92% Economically disadvantaged students
- 33 GT students
- 32 Sped students
- 20% mobility (1 in 5 students)
- Teacher/student ratio by grade level average-16
- Teacher Retention Rate: 99% retention rate
- Average Teacher experience: 6.3 years
- One way and Two way Dual language programs
- PTA established
- Attendance: 63 students with chronic absenteeism (37 of those are new students)
- Discipline: 58% decrease in behavior due to PBIS

### Demographics Strengths

Decker Elementary has a **99% teacher retention rate** and an **average teacher experience of 6.3 years**. This indicates a highly stable and experienced teaching staff, which is a significant for instructional consistency and program implementation. Our staff and students are culturally and linguistically diverse. They offer different perspectives and experiences to our community. As a community this impacts how we celebrate our cultural differences. Teachers are open to feedback and willing to learn and grow overall. Parent involvement has increased since PTA has been established. Student discipline referrals decreased with the implementation of the PBIS plan.

### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1:** Students are not consistently meeting grade-level expectations on state assessments due to limited opportunities to practice rigorous standards-aligned skills beyond the school setting.

**Root Cause:** Students have limited access to high-quality instructional resources and academic supports outside of school which reduces opportunities for reinforcement and practice.

**Problem Statement 2:** There is a presence of ineffective instructional strategies for high-needs students

**Root Cause:** Systemic gaps in the curriculum and limited evidence of lesson internalization.

**Problem Statement 3:** There is evidence of chronic absenteeism. ADA was 92.84%.

**Root Cause:** High mobility and chronic absences, particularly among newly enrolled students.

# Student Learning

## Student Learning Summary

While there has been some growth in some areas, current data from state assessments indicates that overall student performance is below the expected proficiency levels across core subject areas. A significant percentage of students are not meeting grade-level expectations in reading, math, and science, particularly among our emerging bilingual and economically disadvantaged populations. These results highlight the need for targeted interventions, improved instructional strategies, and increased support to close the achievement gaps and ensure all students are progressing toward academic success. End of year IStation detailed data based on domains indicates that students are struggling with vocabulary, spelling and comprehension in 3rd-5th grade. In the same manner, end-of-year detailed data based on domains for students in K-2 indicate that students are struggling with phonics, vocabulary, and comprehension. End of year iReady data indicates that there was some growth in math. There was a decrease in the number of students in 2 more grade levels. There was also a decrease in the number of students who were considered 1 grade level below. There was an increase in the number of students who were on grade level. There was an increase in students who were mid or above grade level.

STAAR Reading 24-25	Approaches	Meets	Masters
3rd Grade	36%	18%	2%
4th Grade	20%	17%	7%
5th Grade	20%	20%	5%

Overall ISIP/ISTATION ENGLISH AND SPANISH DATA:

**All Grades - Overall Reading**

**All Grades - Overall Reading**

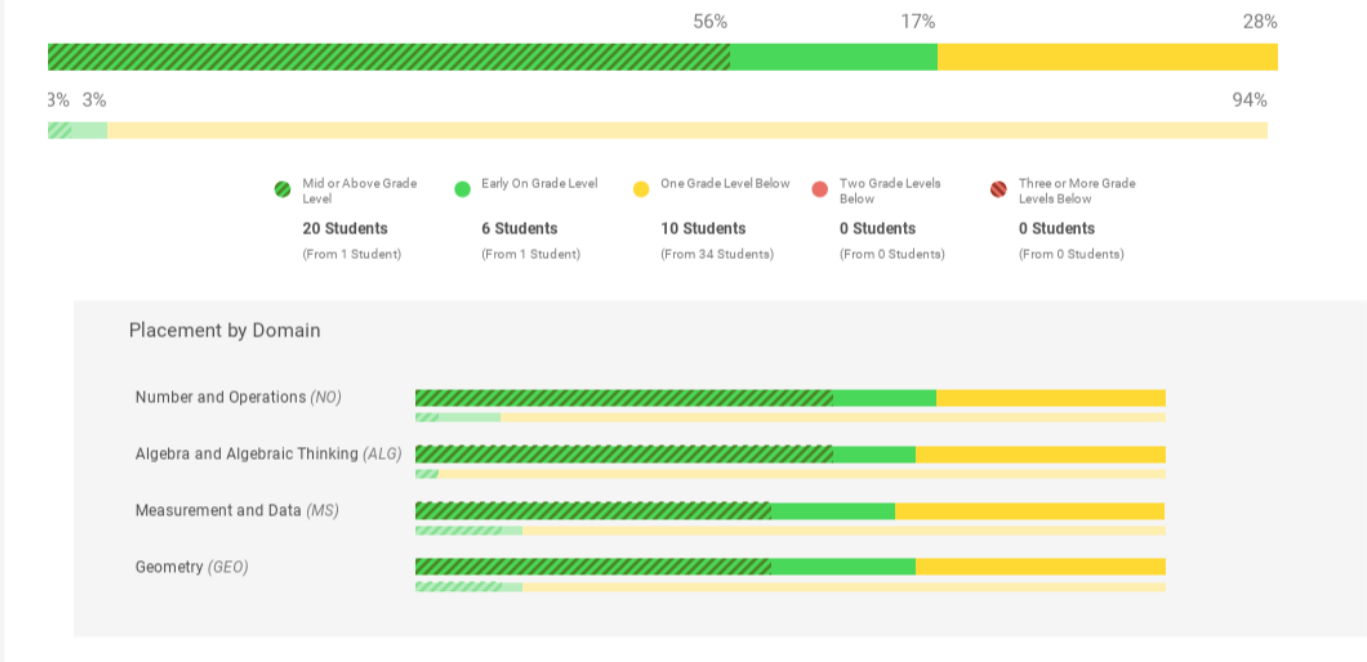

Overall ISIP SPANISH DATA:

STAAR Math 24-25	Approaches	Meets	Masters
3rd Grade	27%	16%	2%
4th Grade	13%	4%	7%
5th Grade	25%	5%	5%

FIFTH GRADE:

## Student Learning Strengths

### iReady: Strong Foundation/Growth in Early Math (K-1):

In **Kindergarten Math**, **72.2% of students are at or above grade level** at the most recent diagnostic, with **tremendous growth from the prior diagnostic** where 34 students were one grade level below and none were at or above grade level. In **1st Grade Math**, **68.4% of students are at or above grade level**, also showing **substantial growth from the prior diagnostic** where no students were at or above grade level. This indicates strong early math instruction or intervention.

### IStation Reading Data:

While challenges remain, the overall Spanish reading data shows that the percentage of students at the lowest two proficiency levels (Level 1 and 2) decreased from 54% in September 2024 to **45% in May 2025**. More students are reaching higher proficiency levels (Level 3, 4, or 5) in Spanish compared to English

### STAAR Data:

Academic Growth calculations show that some students at the Masters level, achieved substantial **growth rates** compared to the prior year STAAR data. Additionally, certain student groups like Hispanic, Emergent Bilingual, Economically Disadvantaged, and SPED students earned points for academic growth in reading and math, though not consistently at high levels.

### **Problem Statements Identifying Student Learning Needs**

**Problem Statement 1 (Prioritized):** 52% of students in 3rd-5th grade did not meet standards on Reading STAAR.

**Root Cause:** Students lack consistent, explicit practice with academic vocabulary and sentence structures needed to comprehend complex texts and respond to questions at the STAAR level of rigor.

**Problem Statement 2 (Prioritized):** 66% of students in 3rd-5th grade did not meet standards on Math STAAR.

**Root Cause:** Math instruction focuses primarily on procedural fluency rather than higher-order thinking, problem-solving, and application of concepts aligned with STAAR rigor.

**Problem Statement 3:** 64% of students in 5th grade did not meet standards on Science STAAR.

**Root Cause:** Students lack explicit instruction in science vocabulary and sentence structures, impacting their ability to interpret questions and explain reasoning at STAAR rigor.

**Problem Statement 4:** There is a presence of ineffective instructional strategies for high-needs students

**Root Cause:** Systemic gaps in the curriculum and limited evidence of lesson internalization.

**Problem Statement 5:** Students are not consistently meeting grade-level expectations on state assessments due to limited opportunities to practice rigorous standards-aligned skills beyond the school setting.

**Root Cause:** Students have limited access to high-quality instructional resources and academic supports outside of school which reduces opportunities for reinforcement and practice.

**Problem Statement 6:** There is evidence of chronic absenteeism. ADA was 92.84%.

**Root Cause:** High mobility and chronic absences, particularly among newly enrolled students.

# School Processes & Programs

## School Processes & Programs Summary

Curriculum is provided through the district. Teachers have 120 minutes of RLA and 90 minutes for math. During these designated times, small group, center based instruction takes place in English and/ or Spanish.

Elective teachers, interventionists, and teacher assistants will also help with small group instruction during this time to increase academics and close gaps while reducing the student and teacher ratio.

Teachers also use district-based common assessments. Teachers use the data results from these assessments as well as the iReady Diagnostic and Growth Monitoring assessments from Istation to develop whole group and small group differentiated instruction appropriate for students. The use of technology in the classroom has been proven to increase retention, collaboration, and individual learning.

The district's CIA departments provided PD for all teachers during the summer. This involved going over any updates as well as the new curriculum. The leadership team also participated in the PD offered. The Leadership team is participating in the TIL (Texas Instructional Leadership). The leadership team meets weekly to discuss PL that is needed for teachers. The teachers also participate in weekly PLCs. Teachers are on a coaching cycle for a minimum of four weeks with the leadership team

Roles and responsibilities have been identified. Each staff member received the list.

Admin sends out newsletters to staff and parents weekly. The campus website and social media pages are kept up-to-date. Parents also receive communication through our online platform called Talking Points. In addition, we have parent meetings, and post information in our foyer for parents.

## School Processes & Programs Strengths

- Our strengths include focusing on HQIM with fidelity
- Weekly PLCs that focus on standards
- Learning progressions, success criteria, language objectives have been identified for all standards
- Most teachers are meeting with the students in small group daily
- Schoolwide PBIS system in place
- Campus Expectations
- Planned PL for the school year has been established
- Continuous coaching cycles

## Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1:** Teachers were not meeting the rigor of the standard. They did not move beyond surface level progressions

**Root Cause:** Lesson planning has not consisted of higher-order tasks and questioning strategies that promote rigor.

# Perceptions

## Perceptions Summary

Teachers were provided survey about administration twice a year. 90% of teachers felt that the principal treated them like professionals, visits the classrooms often, supports them with issues. 87% of teachers felt as if they had input. 88% felt as if they had time to prep and plan.

Parents were provided surveys in the fall to gain their insight and input on support needed. Only 50 parents responded. 45% of the parents said that they would participate monthly in their child's academics. 42% said that they needed support with recognizing bullying. 38% said that they needed support with better parenting. 27% said that they needed support learning English

Teachers were required to have parent conferences twice a year to discuss student data.

Parent Newsletter, Class Dojo, Social Media communications are consistently sent each week.

Parent involvement nights included academic family nights, fine arts showcases, brighter bites, happy kitchen, volunteer recognition. These events occur, monthly or bi-weekly.

99% of teachers remained on campus and leadership team did not have to recruit any staff members.

## Perceptions Strengths

- Safe and orderly environment
- Goals communicated to staff and parents
- Majority of staff have a growth mindset
- Parents are welcomed and respected
- PTA established

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** Parental Involvement is at a minimum

**Root Cause:** Many parents do not understand how their support will help student success

# Priority Problem Statements

**Problem Statement 1:** 52% of students in 3rd-5th grade did not meet standards on Reading STAAR.

**Root Cause 1:** Students lack consistent, explicit practice with academic vocabulary and sentence structures needed to comprehend complex texts and respond to questions at the STAAR level of rigor.

**Problem Statement 1 Areas:** Student Learning

**Problem Statement 2:** 66% of students in 3rd-5th grade did not meet standards on Math STAAR.

**Root Cause 2:** Math instruction focuses primarily on procedural fluency rather than higher-order thinking, problem-solving, and application of concepts aligned with STAAR rigor.

**Problem Statement 2 Areas:** Student Learning

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- HB3 CCMR goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

## Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations

## Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2
- Texas approved PreK - 2nd grade assessment data
- Texas approved Prekindergarten and Kindergarten assessment data
- Grades that measure student performance based on the TEKS

## Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data

- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

#### **Student Data: Behavior and Other Indicators**

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Class size averages by grade and subject
- School safety data
- Enrollment trends

#### **Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- T-TESS data
- T-PESS data

#### **Parent/Community Data**

- Parent surveys and/or other feedback
- Parent engagement rate

#### **Support Systems and Other Data**

- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Budgets/entitlements and expenditures data
- Study of best practices

# Goals

**Goal 1:** By 2026, 100% of Manor ISD scholars will graduate prepared for college, career, trade and/or military services based upon their individual goals.

**Performance Objective 1:** By the end of the 2025-2026 school year, increase the percentage of scholars who score meets or above to 30% or more on meets and above in reading in STAAR.

**High Priority**  
**HB3 Goal**  
**Evaluation Data Sources:** STAAR

**Goal 2:** By 2026, 100% of Manor ISD communication to all scholars, family, staff, and community members will be interactive, accurate, timely, and accessible to ensure the Manor ISD community is routinely informed.

**Performance Objective 1:** By the end of the 2025-2026 school year we will ensure that at least 100% of families at DES have received communication within 24 hours and up two weeks of relevant events or announcements, using accessible and interactive formats (e.g., emails, texts, social media, Class Dojo, and website updates).

**Evaluation Data Sources:** Parent communication surveys  
Data from Class Dojo  
Parent Newsletters

Strategy 1 Details	Reviews			
<b>Strategy 1:</b> We will provide communication via Class Dojo, Finalsite/Blackboard, weekly parent newsletter in English and Spanish, campus website, emails, provide surveys, PTA flyers, Parent Liaison flyers, and QR Codes for campus feedback. <b>Strategy's Expected Result/Impact:</b> We expect to increase parent awareness, involvement, and engagement in school activities and their child's education. <b>Staff Responsible for Monitoring:</b> Parent Liaison, Teachers, Administration  <b>ESF Levers:</b> Lever 3: Positive School Culture	Formative			Summative

**Goal 3:** By 2026, Manor ISD will collaboratively engage in opportunities with 100% of families, as well as new and existing community partners.

**Performance Objective 1:** By the end of the 2025-2026 school year, increase engagement opportunities with at least 80% of families and establish or strengthen partnerships with at least 2 new community organizations. We will host a minimum of 6 school-based initiatives that involve families and community partners, and conduct at least 2 surveys for the school year.

**Evaluation Data Sources:** Parent surveys

Strategy 1 Details		Reviews			
<b>Strategy 1:</b> We will host showcases that focus on cultures represented at our campus, and schoolwide themes hosted by the fine arts department since we are a fine arts school and data indicates that parents show up to support their children during the showcase. We will host 2 parent nights that address student academics and student goals where students go over their goals with their parents and teachers provide parents with resources and next steps to help their child. Teachers will host in-class events based on current topics of study because this is another way to increase parent participation. PTA will sponsor events. We will host cultural celebrations and recognitions based on the cultures represented. We will send out family dynamics questionnaire to determine how to meet the needs of parents based on what they need.  <b>Strategy's Expected Result/Impact:</b> We expect to have stronger, more inclusive school community where parents feel empowered and actively involved in their children's education <b>Staff Responsible for Monitoring:</b> Parent Liaison, administration		Formative			Summative

**Goal 4:** By 2026, 100% of Manor ISD scholars, staff, campuses, and school communities will have equitable access to innovative academic, human, financial, capital, technological, and all other necessary resources and supports.

**Performance Objective 1:** By the end of the 2025-2026 school year, ensure that at least 80% of DES staff members report equitable access to academic, human, and technological resources through a campus-wide survey.

**Evaluation Data Sources:** Staff Surveys

Strategy 1 Details		Reviews			
<b>Strategy 1:</b> We will provide ongoing, professional development and training for staff based on current HQIM resources to include: IStation, IXL, HMH, Discovery Ed. We will purchase supplemental programs such as Progress Learning to assist with closing the gap in reading, math, and science. Any supplemental programs will be used after students meet their weekly required minutes in IXL and 45-60 minutes in IStation per language of instruction. We will purchase additional technology software and hardware such as Bullseye to support providing giving coaching and feedback. We will conduct staff surveys to determine areas of need and support during PLCs. All additional supplemental resources will be used to increase student engagement, close the gaps, and build teacher capacity.  <b>Strategy's Expected Result/Impact:</b> We expect to improve instructional effectiveness and enhance teacher capacity to meet the diverse needs of our students. <b>Staff Responsible for Monitoring:</b> Teachers, Administration  <b>TEA Priorities:</b> Recruit, support, retain teachers and principals, Build a foundation of reading and math, Improve low-performing schools <b>- ESF Levers:</b> Lever 1: Strong School Leadership and Planning, Lever 3: Positive School Culture, Lever 4: High-Quality Instructional Materials and Assessments, Lever 5: Effective Instruction <b>Funding Sources:</b> Supplemental Resources - Title I, Part A - \$6,642		Formative			Summative
