CHS School Board Report September 2021

Curriculum & Instruction

The SAT will be held on October 4th and the PSAT will be held on October 12th. Juniors are encouraged to take the PSAT if they haven't taken a timed test like this before, and then to register for the SAT in the spring. Sophomores are also welcomed to take the PSAT.

Activities and Events

Cross-country runners have been practicing hard and had a good showing in Wrangell. Our boys took 5th, 12th, 19th, 37th, and 66th. September 17, they will travel to Sitka. Their regional event is slated to take place on October 2nd in Ketchikan. State is October 9 in Anchorage. Currently, we have five runners on the team.

Our swimmers have started off strongly this season. At their first meet in Ketchikan, 83% of the team had personal bests, at least two swimmers broke school records, and seven met personal goals. This week, our swim team travels to Petersburg. Currently, we have 14 swimmers on the team.

Volleyball also began earlier this month. There are around 13 players this year. Tentatively, their first games are October 8/9 at Ketchikan.

Wrestling starts September 29 with coach Chuck Hanson. We are in the process of hiring an assistant coach.

Climate & Culture

Student Council elections were held the second week of school. Student Council executive board candidates campaigned, made posters, and gave speeches in front of the student body via Zoom. Nearly 100% of students voted in the election on Friday. On Tuesday, September 14, class officers were appointed by their peers. Here are the 2021-2022 Student Council officers for CHS:
