January – time to learn

Welcome back, I hope everyone had a wonderful winter break! Now that we are into 2010, there are some solid weeks of school ahead. I've said it many times in the past and I still believe that the top two indicators of academic success are good attendance and parent involvement. How can I help? If there are Evergreen families struggling with these two components of education, I want to support you. It can become overwhelming at times; homework, class begins at 7:35 a.m., afterschool classes, children in middle and high school as well and the list goes on. We have a great opportunity for quality academic progress in the weeks ahead, given the few interruptions due to days off. I hope we are able to take advantage!

I want to thank all the participants of last month's PBS assembly; the Evergreen Olympics. Congratulations to Team Red on their stunning victory. I would also like to thank all of the participants from Evergreen's got talent. The PBS assemblies have been a lot of fun and continue to get better. Remember, all students who have not earned a citation, referral and no more than 2 redirection room passes are eligible for PBS assemblies.

Attendance Policy

Good attendance is the single most important factor in school success. We expect good attendance and will provide assistance if there are problems preventing good attendance.

District policy states that a written note from the parent or doctor must be on file in order for the absence to be "excused". A phone call only "verifies" the absence. Please remember to include your child's whole name as well as the teacher's name when writing to the office so we are sure to excuse the right student's absence.

For your child's protection and to minimize interruptions, please read this carefully
ARRIVAL AND DEPARTURE PROCEDURES

All children need to be signed out and released in the school office. Please do not go to the classroom to pick up your child.

Students riding buses other than their own, or getting off at a stop other than their regular stop **must have** a bus pass from the office.

Bus passes, or passes issued for a change in a student's regular end of day plans will be issued **only after the office receives a written note** from their parent or guardian.

IN AN EMERGENCY, passes will be issued on request of the parent or guardian via telephone. **Billie is the only person authorized to verify the identity of a caller and issue a pass.**

NO CHANGES to after school plans will be accepted after **1:00 p.m.**

Parents may request other adults to pick up their children if the school has on file written authorization and/or the name and address is listed on the information sheet as an emergency contact person.

When a child is going home with another student, **written notes must be received from BOTH students' parents.** This way we can confirm that both families know that a child is visiting.

Kindergarten students must have someone at the bus stop to meet them unless there is an older child with them on the bus. Otherwise, the bus driver will not let them off the bus.

In order to accommodate the bus schedule, and for the safety of our students, we ask that parents/guardians please **DO NOT** pull to the front of the school from 7:00 to 8:00 (9:00-10:00 on Late Start Fridays), and again from 1:00 to 2:30 p.m. every afternoon. Parents/Guardians should pull through the side gate and follow the drive around to the cafeteria where your student will be waiting for you.

2009/2010
ADVERSE WEATHER CONDITIONS
Straight Line Routes For: Illinois Valley, Lorna Byrne, Evergreen

In the event of adverse weather conditions parents are advised to tune in to Radio Stations KRWQ, KAJQ, KLDR, KBOY and TV Stations KOB1 (5), KDRV (12), KTVL (10) or the 3 Rivers School District Web Page for information on school bus schedules.

Sometimes weather conditions leave some roads blocked or unsafe to travel but school is still being held. Under these circumstances "straight line routes" will be run. This is the information you will get on the web page or radio/TV stations.

When straight line routes are run the roads affected are listed below.

If you live on one of the roads the buses cannot travel, you may bring your student to the nearest intersection of the main road traveled. This will also be the stop for the afternoon drop off.
