Re: Property Review and Great Northern Report

I would like the opportunity to discuss the report generated by Great Northern Consulting Group in November 2018 at the next Committee of the Whole meeting on Monday, February 11, 2019.

In October 2018, per the request of the Board, the District engaged Mr. Bill Bowman of Great Northern Consulting Group to review five District properties not currently in use for educational programming: Adams, Hull, Jefferson, Old Webster, and Wilson. The Board requested the current valuation of our property assets, as that information had not been updated for approximately five years.

I would like to review this report with the Board. Please add this to the agenda of the February 11, 2019 meeting.

Thank you

PF
