Presenter(s): Jess Peña , Director of Student Nutrition Services

Nature of Action Requested by Board

Board action
Board information or scheduled report

Background Information

Milk alone at breakfast or lunch is considered ala carte and will be charged (.55). If a student grabs at least 2 other items one being a fruit or veggie the meal (milk) is free.

Question for the Board:

Should we be concerned if we are paying for extra milk or cold lunch milk it has to be all students or none at all? Some families may see this as an unfair advantage to those students with zero or negative account balances.
