Earlier this year internal monitoring reviews were conducted resulting in adjustments to the State's allocation. The Office of USDE recently recalculated the SY 2006-07 Part D, Subpart I State Agency N or D allocations and issued revised SY 2006-07 grant awards.

This resulted in an increase to your FY 07 budgets. Your revised allocation is \$ 68,763.34. Please submit the attached Federal Programs Amendment Request form to reflect the increase amount and revised Facility Budget Summary sheet. You have until September 30, 2008 to obligate these funds.

If you have questions or need additional information please contact Office of Federal Financial Management at (601) 359-2459.
