

Franklin Elementary

103 Country Club Road Hillsboro, TX 76645

December 2017 Board Report

Curriculum and Campus Updates

During the month of December, we will study holiday customs and review all skills learned the first semester. All students will participate in Hour of Code the week of December 4th-8th. Prekindergarteners will learn the basics of coding by playing games on a variety of devices. The children are excited about visiting nursing homes in town and singing Christmas songs for the residents. On the 19th, we will perform our own Christmas program for our families to come and watch at Hillsboro Junior High. To transition into our Christmas break, our classrooms will have Christmas parties on the morning of the 20th. That afternoon we will have an early release. We will be out of school until January 4th. We hope everyone enjoys their holidays with friends and family!

Professional Development

We believe in collaboration at Franklin Elementary. This month we will visit the Hillsboro Elementary kindergarten classes. Danielle Webber and Julia Campos are facilitating a social emotional development professional learning community.
