Subject: Swimming Pool Chemicals, Supplies, Equipment, Repairs, and Other Related Products and Services – Cooperative Contract(s)

Background Information:

- This recommendation is to provide multiple procurement options for swimming pool chemicals, supplies, equipment, repairs, and other related products and services required to support a quality educational environment for the students and staff of LISD, utilizing LISD-eligible cooperative contracts.
- Lewisville ISD has two aquatic centers that require daily maintenance. Products and services purchased under this recommendation are used for routine and critical needs, including but not limited to water treatment chemicals, filter sand replacement, plaster and tile repair, maintenance, repairs, and other swimming pool-related products and services.
- If approved, allowing the use of LISD-eligible cooperative contracts for this commodity, the District will have access to a wide range of vendors, products, services, and pricing to help provide the best value.
- Best value involves considering several factors, which may include but are not limited to price, quality, availability, delivery timing, support, and other relevant factors.
- Interlocal cooperative contracts have gone through a competitive procurement process and comply with local, state, and federal procurement laws.

Administrative Consideration:

- Funds for these purchases will come from the Athletic Department funds, Facility Services Department funds, and other previously approved budgets.
- Previous annual expenditures for this commodity:
 - 2024–2025: \$167,679
- Estimated annual expenditures for this commodity: \$175,000 but will not exceed the approved budgets.
- This procurement complies with LISD Board Policy, Section 44.031 of the Texas Education Code, EDGAR 2 CFR 200, and other applicable procurement laws.

Recommendations:

- That the Lewisville ISD Board of Trustees approves the use of LISD-eligible cooperative contract(s) for swimming pool chemicals, supplies, equipment, repairs, and other related products and services, the associated awarded vendors, and the estimated annual commodity expenditures for one year.

Timeline/Report:

- Term: May 2025 – May 2026
