

## **BP 4314 TRANSFER/REASSIGNMENT (Management and Supervisory Personnel)**

The Superintendent or designee(s) shall assess the needs of the District and to assign management personnel to positions which will meet those needs.

### **Voluntary Change of Assignment**

In order to promote administrative professional growth and career development, broaden management background, and share administrative and personnel skills within the District, the School Board encourages management personnel at all levels to apply for transfers and reassignments.

### **Involuntary Reassignment of Certificated Administrators**

Involuntary reassignment within the administrator's classification may be initiated upon the recommendation of the Superintendent or designee(s) in the best interests of the District.
