

## **Activities/Community Education Report for February 2025**

Community Education's annual Spring/Summer brochure will be mailed out soon. We will continue to offer our regular youth sports along with adult and youth enrichment classes. New offerings will include a fishing class for students in grades 3 and above, adult evening volleyball, spring driver's ed classroom instruction in March, and mental health sessions sponsored by the Leech Lake RALLY Coalition. Adult aquatics and youth swimming lessons will return but at a new location as they will be held at the Chase on the Lake starting in early April. Residents can expect to see the new catalog in their mailboxes in the coming weeks.

Winter sports are beginning to wind down their regular seasons and heading into section play. Northern Lakes girls hockey has advanced to the Section 6A championship on Tuesday evening in Alexandria. WHAN wrestling will host quarterfinal section team competition against Royalton on Tuesday evening at 6:00. Boys and girls basketball and boys hockey will finish up their regular seasons with playoffs beginning later this month and into early March.

Speech has begun their season and has been active traveling to varsity tournaments on Saturdays and junior high meets during the week. The Walker Talkers will host the annual Chuck Beckman Memorial tournament on Saturday, March 1st.

The WHA music department will host the Region 8A Ensemble Contest on Wednesday, February 26th. This event will involve small groups of singers and instrumentalists from around our region as these students compete for the highest honors in music given by the Minnesota State High School League each year.
