Washington D.C. Trip

The annual 8th grade trip to Washington, D.C. takes place May 5-8. We are excited to continue this tradition. Students will have the opportunity to take a cruise on a riverboat, visit the Smithsonian museums, get a tour of the U.S. Capitol, go to George Washington's home in Mount Vernon, walk the hallowed grounds of Arlington Cemetery, and see famous monuments and memorials, among other awesome experiences.

4:00am will come early on Tuesday, but we are ready to hit the road with nearly 200 teenagers!

Wellness Warriors - Peace Pole & Move-a-Thon

Our Wellness Warriors group, under the leadership of Marie Larson and Kristen Chandler, have been hard at work all year raising awareness about the importance of strong mental health and wellness. In partnership with Chelsea Rotary and the Chelsea High School Interact Club, they planted a Peace Pole outside of BMS. This is part of our Peacemaker Project, which also features our monthly Peacemaker Award (winners for April below). Congratulations to these students, who were nominated by their peers and teachers!

April Peacemaker Winners:

6th Grade: Peri Taylor

7th Grade: Phoenix Steckler

8th Grade: Savannah Fremuth

In addition, the Wellness Warriors are sponsoring "Move-a-Thon," a celebration of the power and importance of movement and its positive impact on our bodies. Beach students will travel to the football stadium on the second half of Moving Up Day and will rotate between walking with their grade on the track and playing carnival-style games and yard games. In addition, we will be raising money for a local organization, Faith in Action, pooling our resources to help our local community. More information to come!
