PROFESSIONAL DEVELOPMENT AGREEMENT

OVERVIEW

ESC One Contact: Leticia Garza, Mathematics

Region One Educational Service Center's Division of Instructional Support provides high-quality customized professional learning. Strong models of learning are supported by professional development standards, grounded in leading research, and strengthened by the utilization of high-yield instructional strategies that promote increased academic performance for all students.

Description of Services

This professional development session focuses on equipping campus administrators and teachers with effective strategies to prepare students for the STAAR Math Assessment. Participants will explore evidence-based practices and develop a plan of action for Mathematics support.

BENEFITS OF TRAINING

Improved Teacher Effectiveness: Coaches help teachers implement research-based strategies tailored to student needs, improving instructional quality in specific subjects. Teachers receive guidance on data-driven instruction, integrating STAAR-aligned question stems, and leveraging formative assessments to target student needs.

Enhanced Student Achievement: Effective reading strategies boosts student outcomes by helping teachers address learning gaps, use data-driven instruction, and differentiate lessons to meet diverse student needs. This leads to better comprehension, problem-solving skills, and academic performance.
