A Message from Mr. Regal

Hello Evergreen Families,

We are just passing the half-way point of our school year and have made great strides in the classroom to promote individual growth academically, behaviorally, and socially. So with that in mind, we have a great opportunity to continue to support our students, in and out of the classroom, over the second part of the school year and get them ready for their next grade. **I am asking parents to continue to check backpacks nightly for homework, notes home from the teacher, school notices, etc. If you have any questions, please feel free to contact the teachers by email, phone, and/or notes. Remember communication is vital in supporting your child at school.**

The upper grades (3-5) are just beginning their first round of OAKS Testing in Math and Reading. The 5th grade also will be tested in Science. The students this year have an opportunity to take the tests twice, but if they pass the first time, they are done. The test is an assessment tool to check on the students' knowledge in Reading, Math, and/or Science. At the school, we will use the first round of testing scores to help us drive our instruction for the rest of the year. The second round of testing if necessary will begin after Spring Break and conclude by May 22, 2013. Here are the Oaks meets/exceeds scores for each grade level:

Oaks Tests 2012-13	Reading Scores	Math Scores	Science Scores
3 rd Grade <i>Meets/Exceeds</i>	211/224	212/219	-----
4 th Grade <i>Meets/Exceeds</i>	216/226	219/227	-----
5 th Grade <i>Meets/Exceeds</i>	221/230	225/234	226/239

*****Remember as educators, we look at student growth for the individual, for example if a student received a 204 on the Oaks Reading in 3rd grade, we strive for meeting 216 in the 4th grade, but 6-10 points on their score shows positive growth in reading.*****

Finally, I wanted to thank parents for continuing to honor our check-in/out procedures at Evergreen Elementary when you are on our campus during the school day. If you do not know, the process is to come directly to the office and sign-in. At this point, the office staff will give you a visitor's pass to wear while visiting the school. When your visit is over, please check out in the office. This procedure is just one piece in making Evergreen a safe place to learn for our children. Thanks for your support in this matter.
