Question –

Optional. 105 ILCS 145/27, added by P. A. 101-428, permits a district to maintain a supply of undesigned glucagon in any secure location that is immediately accessible to a school nurse or delegated care aide. A school board must ensure that it does not adopt this section into the policy unless it is prepared to implement it. Consult the board attorney about the consequences of informing the community that the district will obtain a prescription for a supply of undesigned glucagon, and implement a plan for their use, and then not doing it, as doing so may be fraught with legal liabilities. The superintendent is given broad authority to implement this section; however, several preliminary steps should occur with the assistance of the board attorney. They include, but are not limited to: (1) investigating the feasibility of obtaining a prescription for a supply of undesigned glucagon in the name of the district or one of its schools, and (2) outlining the advantages and disadvantages of implementing this plan based upon each district's individual resources and circumstances, and student population's needs. Has the board adopted the school district supply of undesigned glucagon subsection?

Answers –

1) Yes (default)

2) No (IASB will delete the School District Supply of Undesigned Glucagon subsection and its Void Policy language)

The policy, legal references, cross references, and footnotes are updated in response to: 1) The CRTA, 410 ILCS 705/, added by P.A. 101-27; 2) Compassionate Use of Medical Cannabis Program Act (Medical Cannabis Program Act (MCPA)), amended by P.As. 101-27 and 101-363 and scheduled to repeal on 7-1-20; 3) Changes to Ashley's Law, 105 ILCS 5/22-33, amended by P.A. 101-370, eff. 1-1-20; 4) Continuous improvement clarifications to footnotes 20 and 21 regarding the text of the policy purposefully being broader than 105 ILCS 5/24-24, and requiring the board to provide hearings when ejecting persons from both school events and meetings with instructions for boards that wish to narrow the policy text; 5) Continuous improvement suggestions from PRESS subscribers and the PRESS Advisory Board (PAB) to align with 105 ILCS 5/27-23.7; and 6) Stylistic changes are made to the Legal References.

Question –

For ease of administration, this text is broader than 105 ILCS 5/24-24, requiring a hearing for both school events and meetings. See *Nuding V. Cerro Gordo Community Unit School Dist.*, 313 Ill. App 3d 344 (4th Dist. 2000) (Board was authorized to ban parent from attending all school events and extracurricular activities by 105 ILCS 5/24-24; the ban was based on the parent's exposing a toy gun and a pocketknife at a board meeting). The court in *Nuding* did not specifically answer whether a board meeting qualified as a school event under 105 ILCS 5/24-24, but upheld the board's right to enforce conduct rules at its meetings under 105 ILCS 5/10-20.5. Consult the board attorney before narrowing the text, especially if the board has put the current text into practice and now plans to narrow it. This issue involves a balancing of a board's interest in the orderly transaction of its public business and the efficiency of its meetings against an individual's (A) statutory rights to

attend meetings and/or comment to and ask questions of the board (105 ILCS 5/10-16 and 5 ILCS 120/2.06(g)) and (b) constitutional freedoms and rights of speech, the press, assembly, and to petition the government (U. S. Constitution, First Amendment and ILL. Constitution, Art. 1, 2, 4 and 5. Does the board want to narrow the policy text to mirror 5 ILCS 5/24-24?

Answers –

1) No (default)

2) Yes, (“or meetings” will be removed from the subheading and the first sentence of the subsection.)
