Re: High School Principal Report October 2019

October is here and we are currently in the midst of Homecoming week here at the High School. This past week we had one of the most productive Student support days that we have had in several years. We had over a hundred students here at the school working on school work, decorating halls, and being a positive part of our high school culture. Teachers were able to meet in the afternoon to talk about accreditation and everyone contributed to the work being done in preparation for that event next February. We have so much to be proud of here at HHS and the direction that our school is heading.

As we continue to work with PBIS (Positive Behavior Interventions & Supports) we are focusing this month of October on Safety. Last month we were focusing in on Responsibility as we recognized students that were showing that characteristic. This month as we focus on Safety we are reminding students of what "Being Safe" looks like in the many different aspects of life. We feel that in order to create a welcoming, inclusive culture of family our staff and student body will continue to emphasize the characteristics of respect, responsibility, safety, and keeping a positive attitude throughout the school year. The "Homedale Way" will be our guiding slogan as we work to build on our existing Homedale traditions with a new commitment to emphasize our community's core values! With the help of PBIS we hope that this school year is representative of what our commitments are as a school and as a district!

Fall Enrollment-

Freshman-	Male 47	Female 51	
Sophomores-	Male 42	Female 43	
Juniors-	Male 47	Female 41	
Seniors-	Male 46	Female 43
