Description of Request I am requesting discretionary funds for 6 nurses to attend the Texas School Nurses Organization Conference. This conference is a 3 day conference from November 13-15, 2015 which will be taking place this year, in Dallas Texas. I would like for these nurses to experience what this conference is all about and how much enrichment they can receive and provide better health care for our students. It is expensive and thus, reason for only asking to provide funding for 6 nursing staff that will be given an opportunity to experience this type of conference and to be able to network with other school nurses from across Texas. In addition, they will have to share their learning experience with the rest of the school nurses.
