Strategic Plan

2022-2027

Innovate
Educate
Empower

We believe...

- Preparing Dragons is a collaboration of students, staff, families and community.
- We have a responsibility to provide a safe, welcoming, equitable learning environment where all individuals are respected and valued.
- In fostering an environment that cultivates each individual's maximum potential.
- Character development is an integral part of education.
- In a dynamic innovative approach to educating Dragons.

Board of Education Goal

The Board will improve their governance of the district.

Focus Areas

Goals

Academics/Programs

Lake Orion Community Schools will increase opportunities and flexibility for all Dragons.

Communications/ Community Engagement

Lake Orion Community Schools will enhance district communications and increase community engagement in schools.

Learning Environment/ Culture

Lake Orion Community Schools will provide a learning environment where all students and staff feel supported, honored and respected.

Operations

Lake Orion Community Schools will maintain and enhance operations and facilities.

Personnel/Leadership

Lake Orion Community Schools will attract, retain, and value exceptional staff.
