PRESENTATION

TITLE: Student Academic Achievement –Snapshot Data

DATE: February 24, 2025

RESPONSIBLE ADMINISTRATOR: Dr. Tiffany Bone
Assistant Superintendent Curriculum & Instruction

BACKGROUND/CONSIDERATIONS:

Fort Smith Public Schools requested the assistance of CMSI in conducting an audit of the district's current systems of curriculum and instruction and related curriculum management process. The purpose of this audit was to assess the current reality of the systems that support curriculum and instruction and use the information to make recommended improvements. This [presentation](#) will compare the current results of the FSPS Instructional Model and Snapshot Data to last year's results. The presentation highlights the focus on the improvement of instructional delivery.
