Table 3. - The above data table indicated the total number of combined participants at each grade level in winter activities from the 2020-21 school year to the 2024-25 school year. The first number indicates the total number of grade level participants and the number in parentheses indicates the percentage of the entire student population at that grade level that participated in an activity. The total numbers at the bottom of the table allows tracking of the total number of participants in activities, as well as the total percentage of the total student population that participates in a winter activity.

Coach Michael Beier Earns Prestigious Award

Established in 2006, the Play Ball! Minnesota Terry Ryan Award honors a member of the Upper Midwest baseball and softball community that has been a major leader at the youth level. The award acknowledges significant promotional contributions, passion, and improvement of the game in the Upper Midwest. Award winners have displayed a serious dedication to the game and its participants.

Play Ball! Minnesota's highest honor is named after former longtime Minnesota Twins general manager Terry Ryan. The award is in honor of his passion and dedication to the promotion of youth, amateur, and professional baseball and softball throughout Twins Territory.

Each fall, the founding members of Play Ball! Minnesota selects a winner. The winner is presented with the award at the annual Baseball Writers Association of America Diamond Awards along with many other prestigious Twins awards.

The 2024 Winner of the Terry Ryan Award is Michael Beier. The Minnesota Twins say, "Thank you, Mike!" for your incredible contributions to baseball in the Upper Midwest!

Thanks You,

Eric Inglis
