Relations with Community Organizations

(This was addressed in Policy KG and KG-AR. Does it need to be a stand alone policy?)

Whenever feasible, the District will attempt to develop cooperative agreements with local public agencies to promote the efficient use of resources by sharing of facilities and avoiding duplication of services.

Whenever appropriate, written agreements will be developed which include provisions related to responsibilities, payments, description of the property or service, insurance, liability and necessary coordination of activities.

Intergovernmental agreements will be submitted to the Board for approval.
