BMS Building Report

- Defective sections of the floor in the building were replaced this summer and the original wax and seal on the flooring was removed by our custodians. The Pierce Flooring Company will be on campus August 6th to complete their work on the floor.
- Systems Northwest are scheduled to be on campus the week of August 2th - 6th to install our security cameras.
- Mr. Huebsch and Mrs. Heavy Runner attended the School Administrators of Montana conference in Helena July 26th and 27th. It was a great conference covering SEL and other considerations for students and staff who will be returning to school in August. It was also refreshing to see old friends and catch up with colleagues in a face-to-face setting rather than virtually!
- The district-wide Leadership Week took place August 2nd - 6th. The BMS SLT met at BHS and BMS to discuss and plan for the following items for the 2021-22 school year:

- Action Plan(s)
- Instructional Framework(s)
- SBE Plan(s)
- Inventory of building curriculum
- Inventory of building strategies - AVID, CRT, IEFA, MCCS, CO & UO/GRR, Authentic Literacy, MTSS
- Inventory of building assessments:, DESSA, WIDA, aimswebPLUS, SBAC

- Daily Bell/Class Schedule

As we look forward to the beginning of a new school year, I would like to thank all stakeholders for their effort, vision, and dedication that it took to prepare for the 2021-22 school year. We are excited for students to return to a face-to-face learning environment while focusing on continuing to build a culture of success at Browning Middle School.

Be well, be safe, and we look forward to seeing you!

William Huebsch
