

### Last year's questions

1. Please provide a summary of your progress on our 2023-2024 district goals.
2. Share how the participation and advocacy of our student representatives has supported the goals established for this school year?
3. How have program partners supported our equity and attendance goals?
4. Over the last year in your role as superintendent, what are you most proud of and what do you wish you'd done differently? What learning are you taking away that can inform your future leadership?
