

Attendance Committee Report- April 2019

In April the attendance in the district has improved compared to the previous months.

We are going to do a random attendance drawing and will be giving out incentives for students who missed less than 3 days in 4th quarter.

There will be an incentive for students whose attendance is being monitored. If they missed less than 6 days in 2nd semester they will receive an incentive.

Due to my position change I won't be head of the Attendance Committee next year. Nikki Hannon has requested to chair the attendance committee next year if we are able to continue it.

The district and courts are working together diligently to improve attendance through holding parents accountable.
