Re: Board Committee Meeting November 1, 2010

Please find attached the recommendation and bid tab for the demolition of Perrinville. We would like to place this on the voting meeting on November 15, 2010, if there are no issues Board Members have with the bid.

The Building and Site Sub Committee asked that the topic of the Board office HVAC be placed on the agenda to be discussed. We have some additional information and may have more to discuss with the Board. This is based on the request when the relief fan was presented to the Board.

MEMORANDUM

Date: October 20, 2010

To: Rod Hosman

From: Jim McMuldloch

Re: Perrinville Demo

The project for the demolition of Perrinville School was complete bid and the bids were received and opened on Thursday October 14, 2010. There were six contractors that submitted bids for this project. The three lowest bidders are Blue Star Incorporated (\$198,900), Pitsch (\$240,839) and Able Demolition (\$258,490). After reviewing the bids documents and interviewing the three lowest bidders and in consultation with the project management consultant (NTH). I am recommending that Blue Star be awarded the contract for the demolition of Perrinville School
