2007-2008 MDE Title I Part D Grant Application for Neglected and Delinquent Students

Mrs. Dale Warriner
Mr. David Meadows

Mrs. Dale Warriner, Federal Programs Coordinator, requests approval of the 2007-2008 TPSD/MDE Title I, Part D Grant Application. As Board members may recall, the TPSD serves as the fiscal agent for this flow-through grant. While the grant neither increases nor decreases the district's other Title I funds, it does enable services to be provided at the Tupelo-Lee County Juvenile Detention Center. This particular grant has increased from \$17,375.00 in school year 2004-2005 to \$86,376.66 in school year 2007-2008.
