Committee Update:

The Committee will be adapting our goals for board approval to include the updated Classical Education Definition that was crafted by the pedagogy leads in '23-24.

The Committee also began work determining how it can support and promote Nova Classicals' dedication to remaining focused on its classical educational style and virtue culture.

We have invited Theresa Nelson to remain on the committee as a parent member.

The Committee will be able to report fastbridge data in September 2024. The committee will not receive MCA data in the same time frame as in past years, so that reporting will be determined later in the '24-25 school year.
