Dear Dr. Francois,

This letter is regarding special education open enrollment seats for Waterford Union High School for the 2026-2027 school year.

Based upon my review of the district's current special education caseloads and caseload projections, I would recommend zero special education open enrollment seats for the 2026-2027 school year.

If you need further information or have any questions, please feel free to contact me.

Sincerely,

Michael B. Rosandich
