

# Positive Happenings

Elementary Youth Development & Enrichment

FLAS COMMUNITY EDUCATION

JUNE 2017

## SPECIAL POINTS OF INTEREST:

- 62 kids participated in Drama Kids classes this year.
- 577 kids attended Elementary Youth Nights this year.
- New classes are being offered in Elementary Youth Development & Enrichment this summer.

## 'Drama Kids' Builds Confidence in Children

Drama Kids is a highly respected provider of children's drama activities. Classes help build self-esteem, confidence, character, leadership, speaking and acting skills. Children uncover their abundant inner self-worth and focus on building life skills through dramatic play.

This year, 62 kids participated in Drama Kids classes! We're looking forward to more enriching opportunities for children this summer.

## Youth Night Gains Popularity and Adds New Elements for Grades 4-6

Elementary Youth Night is a safe, fun, social experience for children in grades 4-6. A variety of activities including basketball, volleyball and swimming keep everyone active and having fun as they socialize with peers from all the FLAS elementary schools. This year, the addition of an age appropriate DJ brought new energy and activity to the Youth Night experience.

Youth Nights are scheduled on Friday evenings from 6-8pm. The cost of a ticket is \$10 in advance and \$15 after the deadline. Three Youth Nights were offered this school year and a total of 577 kids attended!
