

Marble Falls Middle School Weight Room

Every detail of this custom Power Lift USA rack has been designed to reflect the pride and identity of Marble Falls Middle School. With the bold purple and gold color scheme to the iconic Mustang branding, this equipment is built to inspire athletes every time they step into the weight room.

Full Rack Overview

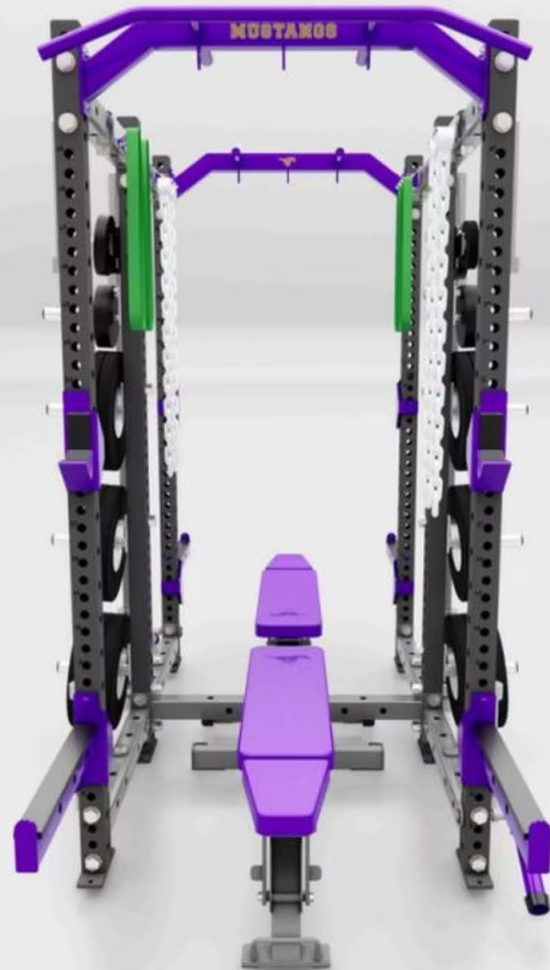

The centerpiece of the Marble Falls setup a full-featured power rack finished in school colors with custom Mustangs branding on the top bar.

Color Scheme

Purple accents on a silver/black structural frame, with yellow lettering — matching Mustangs team colors throughout.

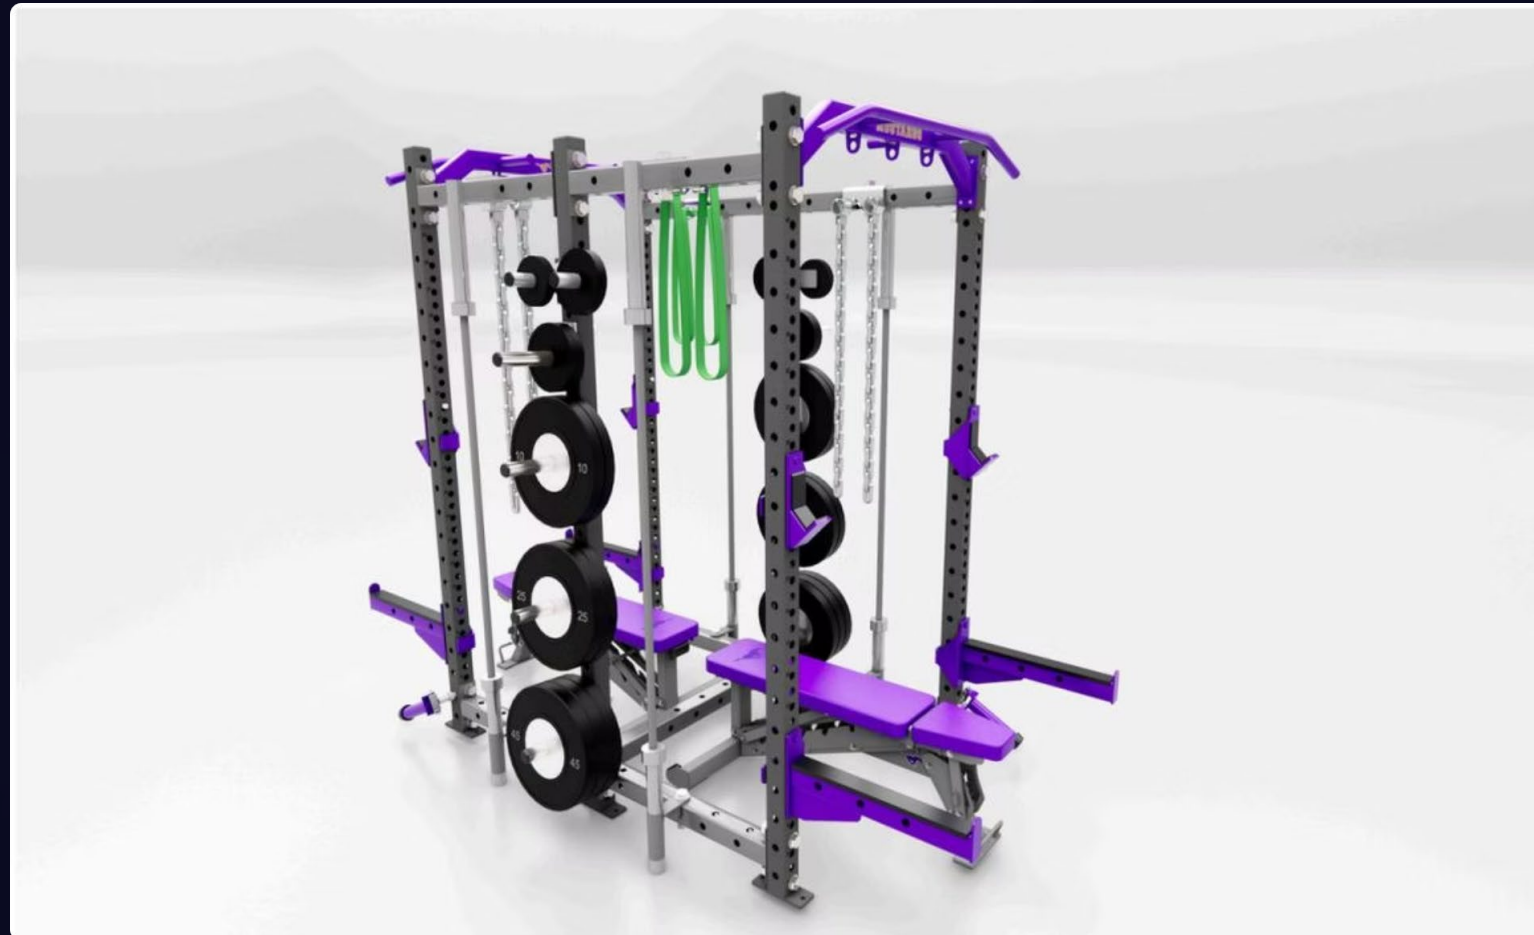

Custom Branding

"MUSTANGS" printed in bold yellow lettering across the top bar, making the rack unmistakably Marble Falls.

Full Rack with Accessories

A fully loaded 3D rendering showcasing the complete rack system with all accessories — weights, resistance bands, pull-up bar, and adjustable bench — all finished in Mustangs purple and silver.

Weight Storage

Vertical stack of five black plates (5, 10, 15, 25, 45 lbs) mounted on the left frame.

Resistance Bands

Green resistance bands hanging from the top of the left frame for versatile training.

Pull-Up Bar

Purple pull-up bar mounted at the top for upper body and functional strength work.

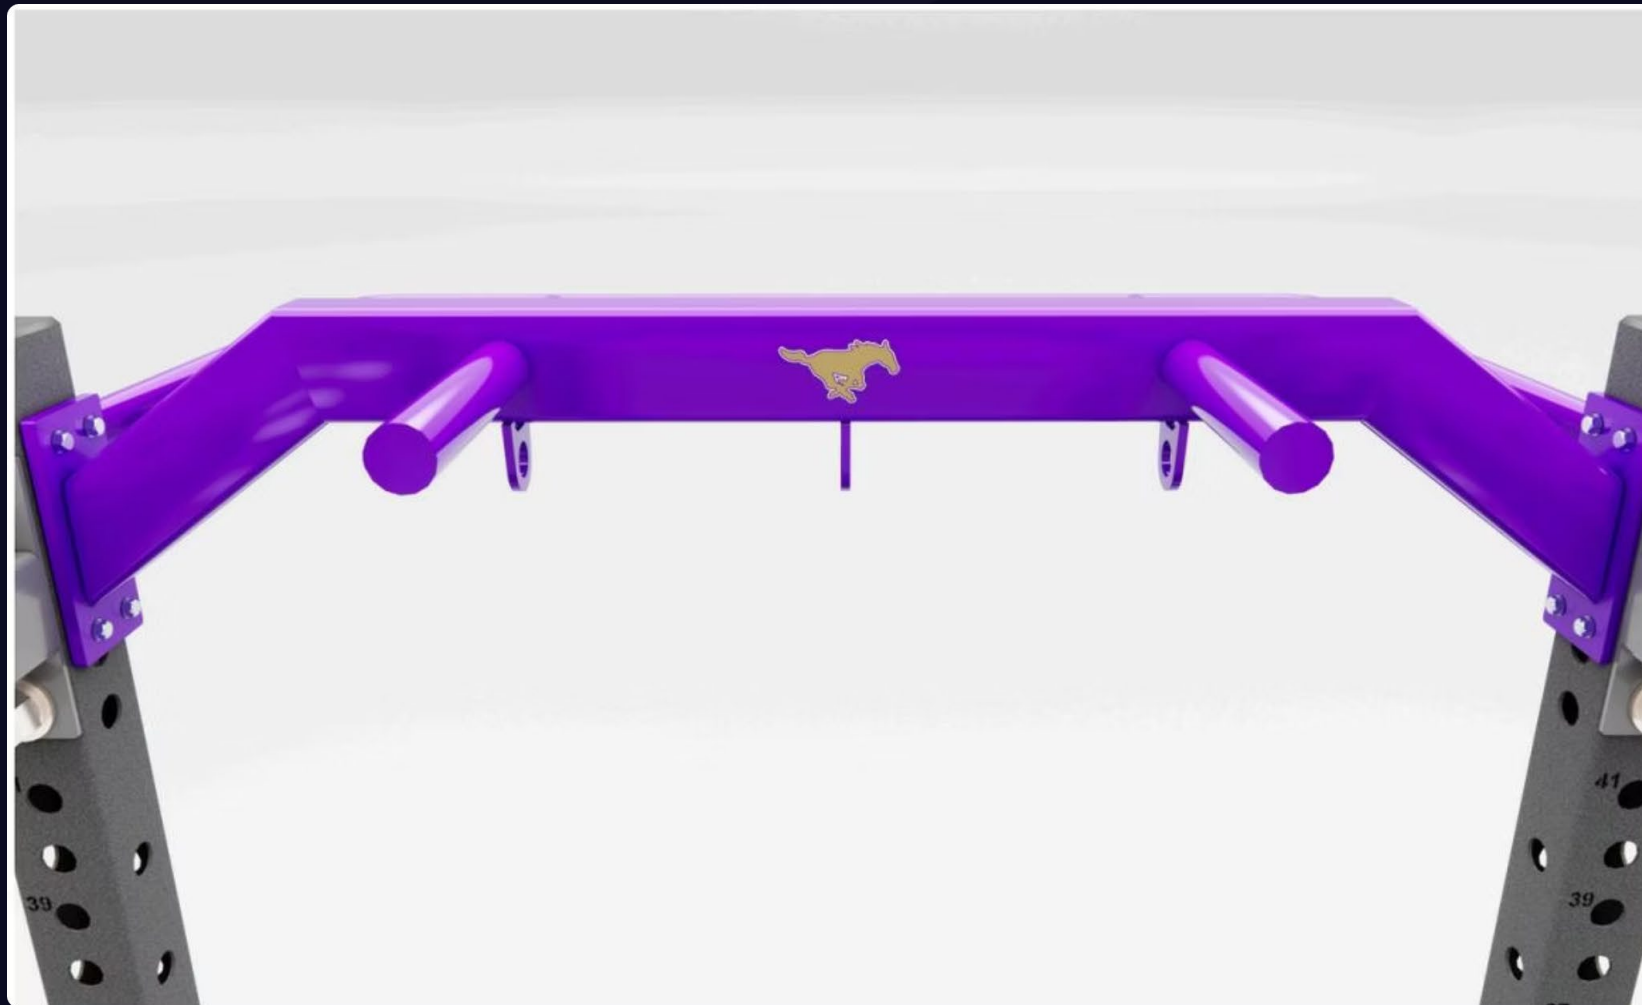

Top Bar — "MUSTANGS" Detail

A closeup look at the signature branding element: the purple horizontal top bar featuring "MUSTANGS" bold yellow lettering. Silver vertical posts are marked with height adjustment numbers (35, 37, 39, 41), and green safety bars are positioned within the rack for safe lifting.

Custom Barbell — Mustang Logo

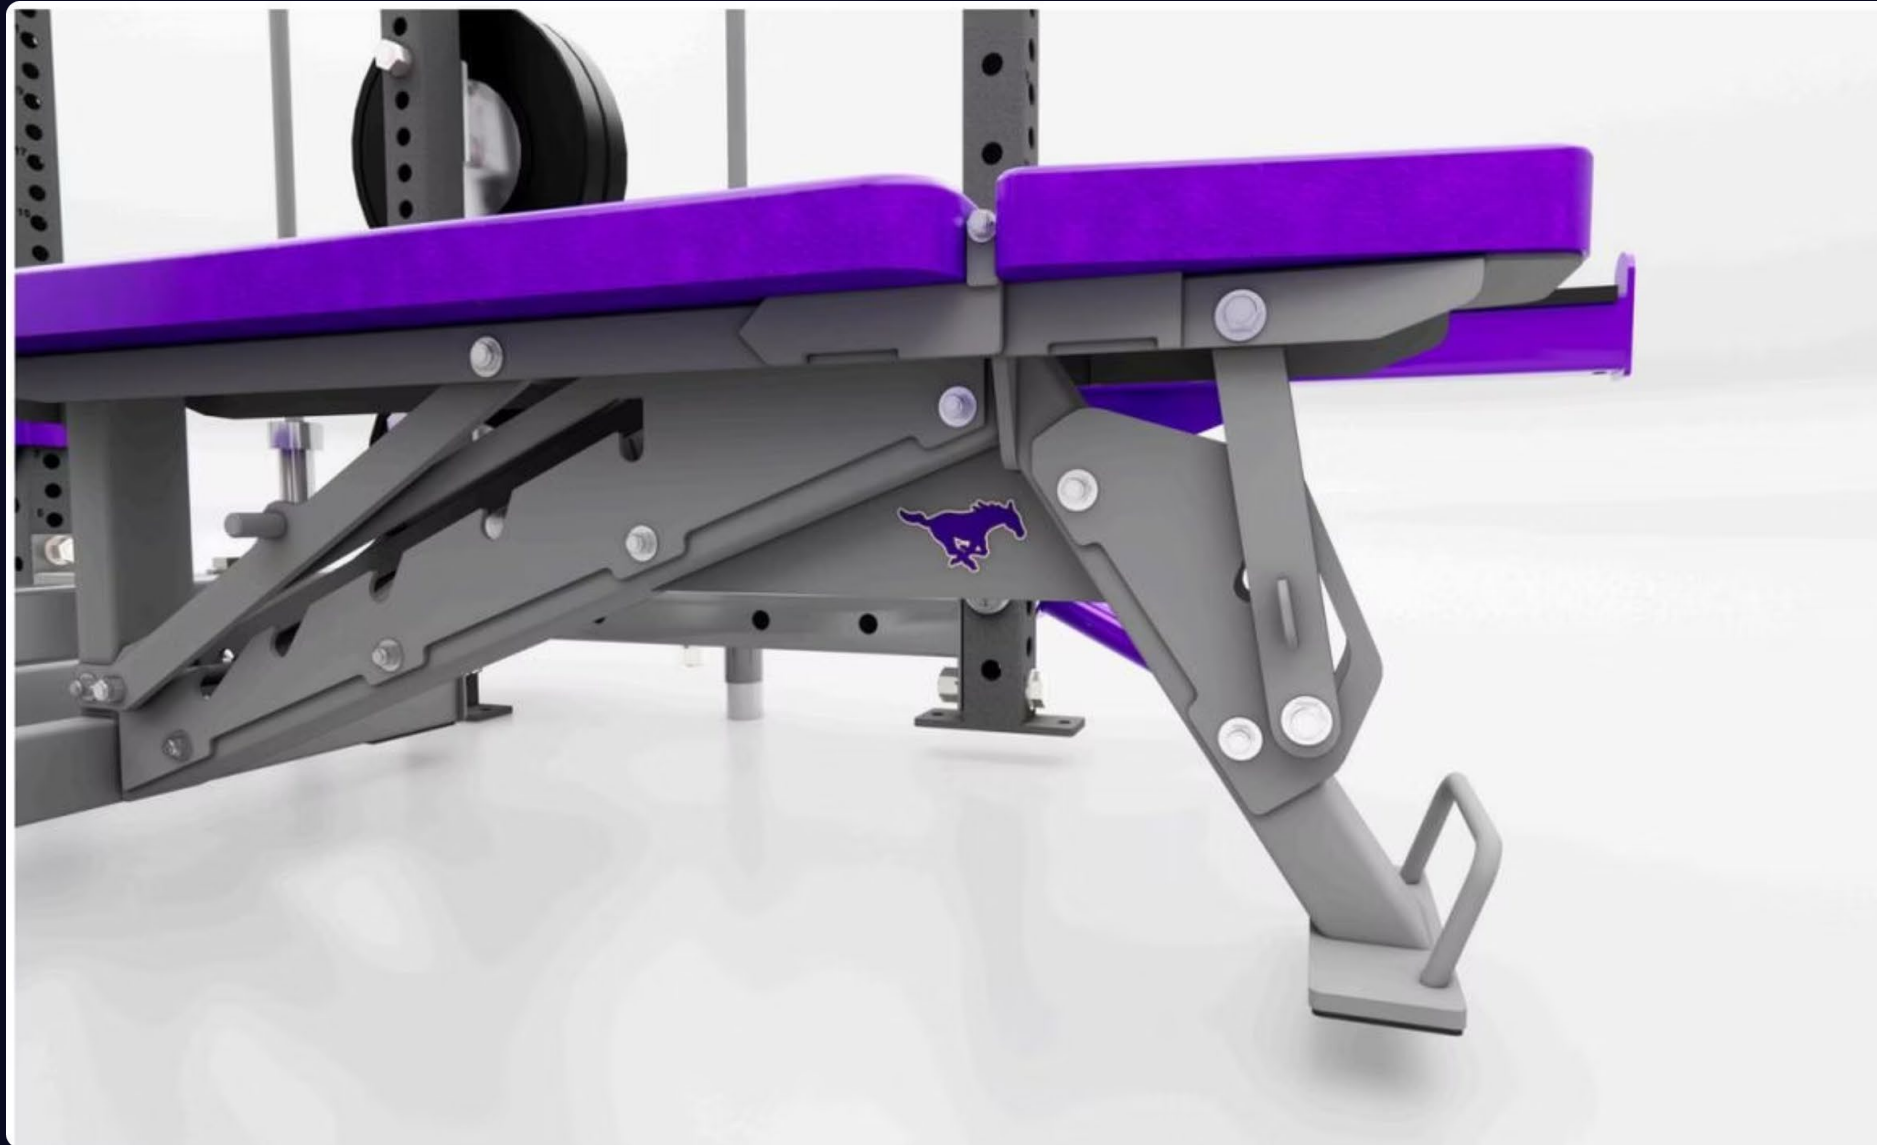

The custom purple barbell features a gold Mustang logo centered on the bar—a standout detail that ties the entire weight room together. Silver pins on each side and a clean finish make this barbell as functional as it is distinctive.

□ The barbell rests on a grey power rack with height holes numbered 39 and 41, ensuring precise and safe positioning of the barbell at

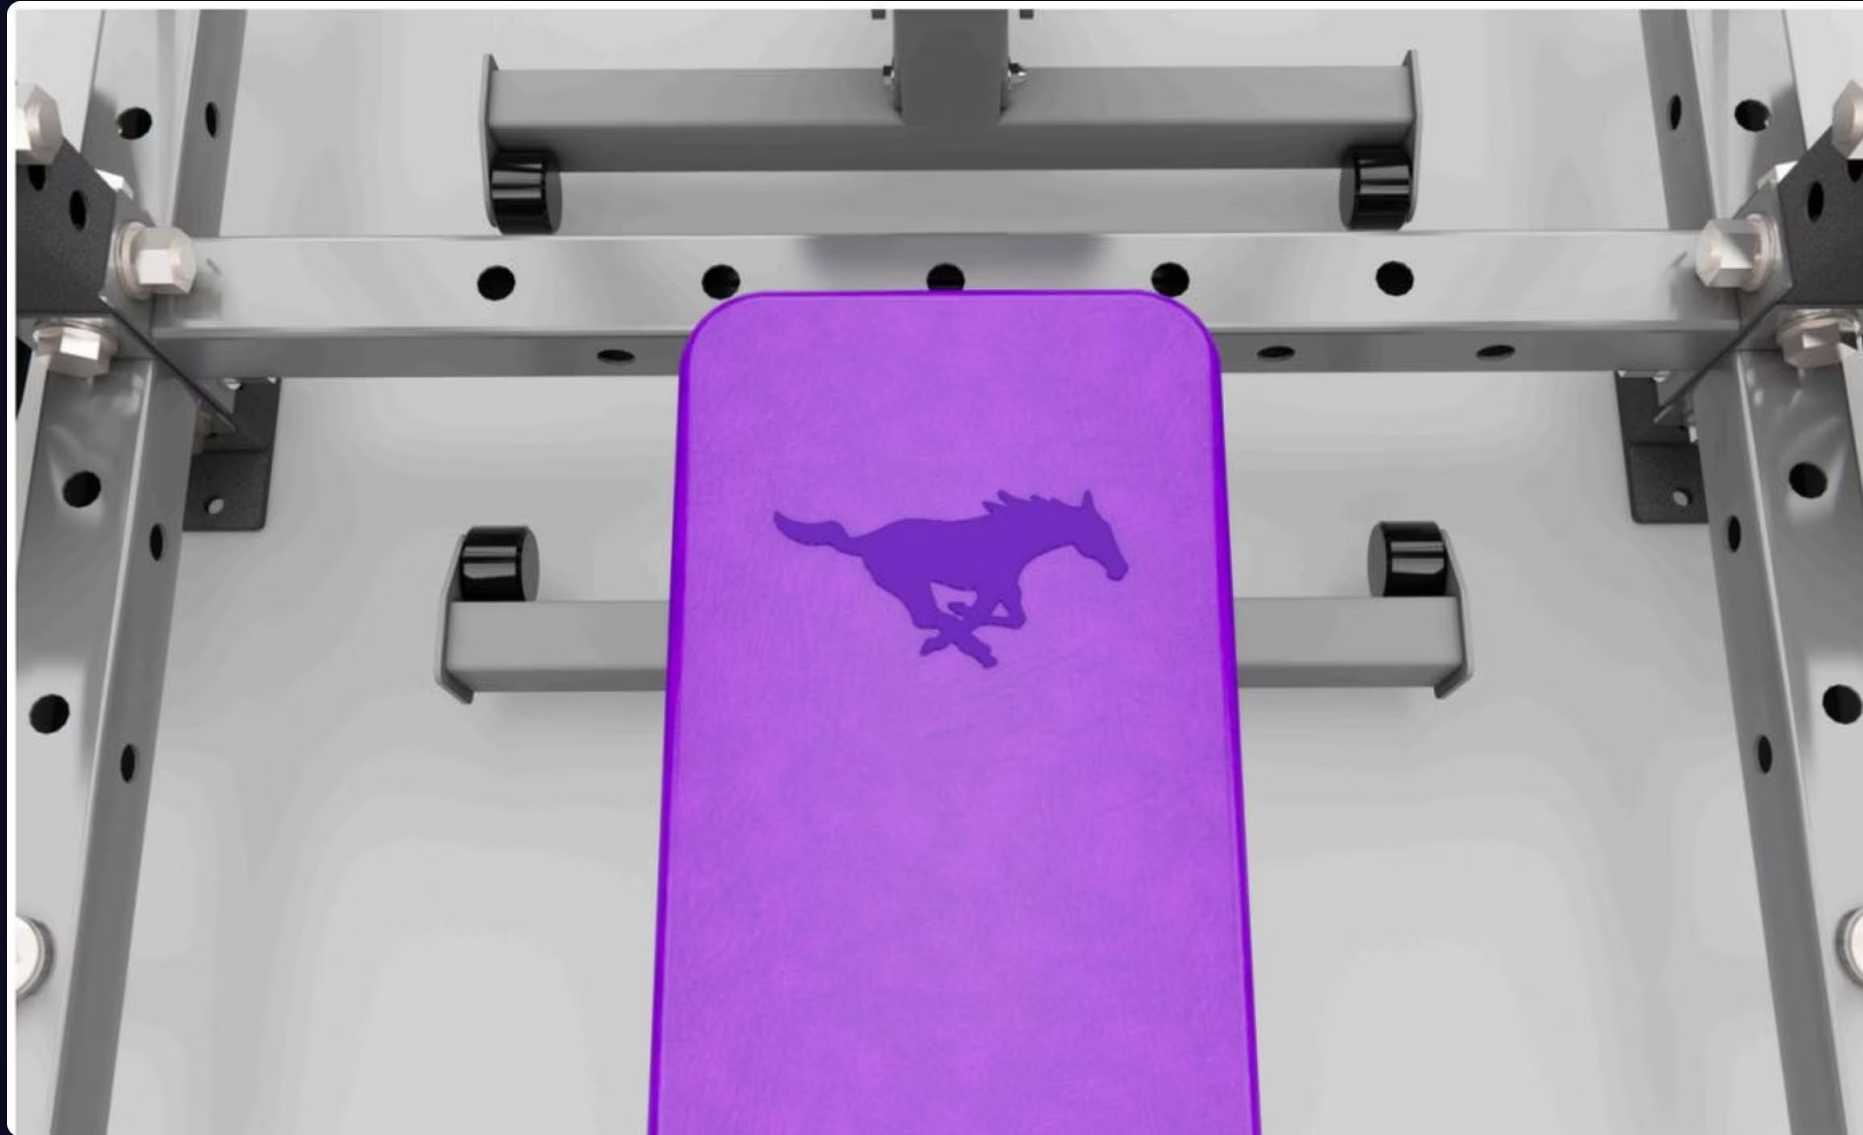

Custom Adjustable Bench

The matching adjustable bench features purple padding and a purple Mustang logo on the side frame—keeping the branding consistent across every piece of equipment. The bench includes a leg press attachment with a black pad for added versatility.

Custom Lifting Platform

A purple lifting platform positioned inside the grey metal power rack, featuring a Mustang horse silhouette at its center. The platform completes the full custom setup, giving athletes a branded, professional-grade surface for every lift.
